Prayer Is Simply Talking to God Pauline Adongo, 2016-12-20. A good number of Christians shy away from praying because of misconceptions and fears they have about prayer. Most are inundated with misinformation and false beliefs about what qualifies as a good prayer. This book was birthed out of a deeper desire and hunger for each believer to recognize the power of prayer that they can institute and practice independently. Prayer itself, as well as the approach to prayer and attitude towards prayer, are simplified in this book, granting readers the freedom to pray. Prayer, when rendered to the Holy Spirit, produces more. Among the key topics that are discussed in this book are: Aspects of prayers, Common misconceptions about prayer, Benefits of prayer, Holy Spirit-led prayer, the role of the Holy Spirit in prayer, Praying from a victorious position in spiritual warfare, How to pray while waiting for the answer.

How to incorporate prayer in daily routine All of these have been shared so as to free the reader to simply talk to God

Praying in God's Will Morgan Kizer,2023-05-02 This is a Scriptural based book on prayer It cites over 200 references in both the New and Old Testaments The Bible has much to say about prayer It is a very important topic This book answers many questions that believers have about prayer Why their prayers are not answered Which prayers are always answered It explains how to pray Where to pray How often one should pray When to decline praying and numerous Scriptural details that can help an individual s prayer life Prayer is a significant part of a believer s relationship with the Father It also discusses the things that have produced ineffective prayers The key problem with most people s prayers is unforgiven sins The solution is both simple and complex sincerely praying forgiveness prayers

The author identifies three basic prayers that when prayed correctly and sincerely are always answered in the affirmative. God expects us to be honest with Him. The key is Jesus' prayer in the Garden of Gethsemane (Matthew 26:39-44). When Jesus was facing a terrible death on the cross, He asked if possible that the Father would spare Him. Nevertheless, He gave believers the example that they should always ask that the Father override our wants in favor of His will being done. Prayer is not reciting a series of magic words that cause things to happen. God is sovereign; He can do anything that He chooses to do. The Holy Bible mentions some of the answers that He has already pre-determined. He is consistent and does everything in agreement with His written Word. God is perfect. If He were to change, He would be other than perfect. [Tools For Living](#)
