BBQ I had to bring it back to my beginnings as a backyard cook As much as I enjoy competition style BBQ it is much more expensive and time consuming to do For these reasons it is not really good to do it for a church group or a small catering job for a wedding or birthday party We my wife and I also cook for some community events to support different causes and charities These are usually the BBQ cooks that we enjoy the most My goal here is to bring new cooks into the BBQ world with a little knowledge that hopefully cuts down on the trial and error of developing their own recipes I wrote these recipes to be easy to follow and understand I encourage the new cook to be brave try new stuff and keep notes Remember that even a total mistake and unrecognizable finished product is still a valuable learning event Do not be afraid to experiment a little you will soon have your own book of BBQ secrets to guard As you begin to be known as the BBQ guy or girl lady in your neighborhood be proud of what you have accomplished Also remember that you do not need the biggest most expensive equipment out there to be a good cook I always tell folks to buy what you can easily afford now and upgrade later Have fun be brave and use common sense when cooking Welcome to the greatest community of cooks in the world Smoke on my BBQ brothers and sisters

the recipes require a lot of talent are pretty straight forward easy on the budget and easy to prepare Cooking methods can be interchanged between crock pot and stove top on many recipes As far as measurements go I m long past exact measurements I go by taste and feel Remember there is no such thing as too much garlic Season everything to Your taste Bear in mind that as a dish cooks the spices meld together and some spices increase in taste the longer it cooks Don t be afraid to delete or add items to the dish Experiment Cooking should be enjoyable so let er rip and enjoy the experience There are a lot of seafood recipes because we live on the Gulf Coast where seafood is plentiful and fresh There is an abundance of Cajun dishes because I learned them from Rita and are just plain good ENJOY Bill and Sandy Deer Camp Dan's Cookbook ,2003
