 Brooks,2024-03-28 Life is complicated comparisons are easy We consume enormous quantities of information every day from
 sources that are reliable and those less trustworthy including journalists politicians friends and social media One of the most
 commons tools we use to communicate is comparison Are we suffering a hurricane of migrants Do dogs look like their owners
 Is Oxford better than Harvard Metaphors models and metrics are used to compare anything from schools to wars to iconic
 people But how helpful are they What truths do they hide and what bullsh t do comparisons propagate Looking across a
 fascinating range of situations both familiar and unfamiliar serious and light hearted Bullsh t Comparisons is a ground
 breaking guide to the role of could be true but misleading comparisons It is illuminated by examples spanning the globe from
 university league tables to childhood rivalries politicians tawdry analogies the FIFA World Footballer of the year award and
 Chinese neo colonialism in Africa Ideal for anyone interested in critical thinking or who simply wants to be able to spot bullsh
 t at twenty paces this thought provoking intelligent and often amusing book will challenge you to think critically about the
 use of comparison **An SPSS Guide for Tourism, Hospitality and Events Researchers** Rahul Pratap Singh
 Kaurav,Dogan Gursoy,Nimit Chowdhary,2020-12-14 This is the first book to provide the student of tourism hospitality and
 events with all that they need to undertake statistical analysis using SPSS for research in their industry Employing examples
 directly from the tourism hospitality and events sector it provides a comprehensive explanation on how appropriate statistical
 tools and methods can be identified for this research context and provides a step by step demonstration on how to carry out
 the chosen statistical operations Each chapter opens with a sector specific case study reflecting current research trends and
 issues from a range of different countries that are affecting the industry today It is followed by an examination of the SPSS
 procedures relating to the case study and various solutions are offered The implementation of clear step by step
 demonstrations on how to carry out statistical operations using a combination of screenshots diagrams and tables aids the

reader's understanding. Chapters close with thorough guidance on how to appropriately write up interpretations of the research in a report. Research implications and recommendations for tourism and hospitality businesses are also provided to enable them to successfully create and manage research strategies in action. Adopting an interdisciplinary perspective and written by a range of industry experts from all over the globe, this book will be essential for all students and researchers in the field of tourism, hospitality and events as well as all those in related fields with an interest in statistical data analysis.
