

INDUSTRY TIPS

TRUCK DRIVER SAFETY TIPS

STAY ALERT

Being aware of your surroundings is key when operating a commercial vehicle.

Maintaining alertness means:

- Not allowing yourself to daydream or “space out”
- Looking well ahead, not just directly in front of you
- Checking your mirrors frequently
- Being aware of what’s happening in your blind spots
- Always plan an escape route (in case you need it)

Safety Policy Considerations in Truck and Rail Freight Transportation David J. Forkenbrock,Paul F. Hanley,2002

Freight Logistics United States. Congress. House. Committee on Transportation and Infrastructure. Subcommittee on Highways, Transit, and Pipelines,2007 *Driver Distraction and Inattention* Michael A. Regan,John D. Lee,Trent W. Victor,2017-07-12 It is estimated that in the United States around 20 percent of all Police reported road crashes involve driver distraction as a contributing factor This figure increases if other forms of inattention are considered Evidence reviewed in this volume suggests that the situation is similar in other countries and that driver distraction and inattention are even more dangerous as contributing factors in crashes than drug and alcohol intoxication Having a solid evidence base from which to develop injury countermeasures is a cornerstone of road safety management This book adds to the accumulating evidence base on driver distraction and inattention With 24 chapters by 52 authors from more than 10 countries it provides important new perspectives on the definition and meaning of driver distraction and inattention the mechanisms that characterize them the measurement of their effects strategies for mitigating their effects and recommendations for further

research The goal of this book is to inspire further research and countermeasure development to prevent and mitigate the potentially adverse effects of driver distraction and driver inattention and in doing so to save lives Lowe's Transport Manager's and Operator's Handbook 2022 Glen Davies,David Lowe,2022-02-03 The United Kingdom has experienced the biggest changes to its freight and transport regulations in a lifetime Understand the complete rules and processes governing the UK s road transport operators with this guide including those that have changed with Brexit Lowe s Transport Manager s and Operator s Handbook 2022 offers a complete overview of the operational rules and guidelines governing the UK s road transport operator This book contains all the relevant legal and technical information required to run a compliant safe and efficient transport operation It includes all the latest changes to the rules and processes including those governing the transportation of goods between Great Britain and the EU following Brexit This fully updated 52nd edition remains an essential resource for transport managers fleet operators owner driver hauliers and those working in the sector It covers all aspects relating to goods vehicles and their operators from vehicle registration maintenance and load management including abnormal and dangerous loads to professional competence operator training and driver testing Road traffic law is explained alongside how to ensure safety on the road and at work Meeting operating standards keeping up to date with the latest industry changes and complying with the law all while running sustainable transport operations has never been simpler with the help of this guide **Highway Safety Literature** ,1980 **Monthly Catalog of United States Government Publications** ,1998-07 **Equipment Operator, Advanced** John T. Morris,1993 **Best's Safety Directory** ,1994 Freight logistics : the road ahead as seen by the users of the highway system : hearing , *Drug and Alcohol Testing of Commercial Motor Vehicle Drivers* United States. Congress. House. Committee on Transportation and Infrastructure. Subcommittee on Highways and Transit,2007 **Gearing Up for Safety** ,1988 **Index** ,1998 A permanent index compiled irregularly which cumulates all indexes for a given period and is not further updated **Highway Safety Literature** ,1979 **Transportation Safety Information Report** Illinois Judicial Conference,1974 *Federal Register* ,2014 **Eliminating Serious Injury and Death from Road Transport** Ian Ronald Johnston,Carlyn Muir,Eric William Howard,2013-12-11 Listen Ian Johnston busts the bad behavior myth Should we really accept road trauma as collateral damage from daily road use Eliminating Serious Injury and Death from Road Transport A Crisis of Complacency explores why societies and their elected leaders view traffic safety as a relatively minor problem It examines the changes in the culture of road use that need to occur if this public health problem is to be effectively resolved Examines why road use culture is ego centric what s in it for me and why this blocks progress Explores current traffic safety measurement methods and demonstrates how they have underpinned our flawed approach Discusses the controversial issue of speed and speeding and shows how a new approach to speed management will be fundamental to transformational change Details a simple account of the concept of a Safe System as now promoted by the WHO and the OECD while exploring the failure to get beyond the

principles to extensive implementation The book dispels the myths that currently drive societies misguided view of traffic safety the bad behavior myth and the official myth that everything that can be done is being done and how these myths limit progress in reducing death and serious injury It presents current scientific knowledge and draws parallels with other areas of public safety and health The book draws on examples from the media and from public policy debates to paint a clear picture of a flawed public policy approach It presents a model for a preventive medicine approach to traffic safety policy to get beyond an ego centric culture to a communal safety culture
