Finding True Love in a Man-Eat-Man World Craig Nelson, 1996-01-01 Nelson draws both on his interviews with other men and on his own experiences in the gay dating scene to present this revealing and often humorous guide From breaking down psychological blocks to surviving a breakup Nelson explores the key issues in gay male relationships and the baggage left over from adolescence

All Stories Are True Tracie Church Guzzio, 2011-05-17 In All Stories Are True Tracie Church Guzzio provides the first full length study of John Edgar Wideman's entire oeuvre to date Specifically Guzzio examines the ways in which Wideman b 1941 engages with three crucial themes history myth and trauma throughout his career showing how they intertwine Guzzio argues that for four decades the influential African American writer has endeavored to create a version of the African American experience that runs counter to mainstream interpretations using history and myth to confront and then heal the trauma caused by slavery and racism Wideman's work intentionally blurs boundaries between fiction and autobiography myth and history particularly as that history relates to African American experience in his hometown of Pittsburgh Pennsylvania The fusion of fiction national history and Wideman's personal life is characteristic of his style which due to its complexity and smudging of genre distinctions has presented analytic difficulties for literary scholars Despite winning the PEN Faulkner award twice for Sent for You Yesterday 1984 and Philadelphia Fire 1990 Wideman remains under studied Of particular value is Guzzio's analysis of the many ways in which Wideman alludes to his previous works This intertextuality allows Wideman to engage his books in direct intentional dialogue with each other through repeated characters images folktales and songs In Wideman's challenging of a monolithic view of history and presenting alternative perspectives to it and his allowing past present and future time to remain fluid in the narratives Guzzio finds an author firm in his notion that all stories and all perspectives have merit

The True Story of the Novel Margaret Anne Doody, 1996 An erudite intelligent and imaginative work of literary scholarship With vivacity grace and wit Doody traces the history of the novel from the ancient novels of Apuleius and Heliodorus through the Renaissance fictions of Boccaccio Cervantes and Rabelais to the official birth of the novel in 18th century England BOSTON GLOBE 39 illustrations

Abstinence Cinema Casey Ryan Kelly, 2016-03-08 From the perspective of cultural conservatives Hollywood movies are cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 **Abstinence Cinema** comes to a very different conclusion finding echoes of the evangelical movement's abstinence only rhetoric in everything from **Easy A** to **Taken** Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman's primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the **Twilight** films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years **Abstinence Cinema** offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency
