dangerous guilty pleasure at worst Despite this cultural anxiety little work has been done on the genre's real audiences Guilluy addresses this gap by presenting the results of a major qualitative study of the genre's reception based on interview research with rom com viewers in Britain France and Germany focusing on Sweet Home Alabama 2002 dir Andy Tennant Throughout the interviews participants attempted to distance themselves from what they described as the typical rom com viewer the uneducated gullible overly emotional American woman Guilluy calls this fantasy figure the phantom spectatrix Guilluy complements this with a critical examination of the press reviews of the 20 biggest grossing rom coms at the worldwide box office in order to contextualise the findings of her audience research **Web of Lies** Jennifer
