Turn Back Time:

If I Could Turn Back Time Beth Harbison, Elizabeth M. Harbison, 2015-07-28 After a diving accident thirty seven year old Ramie Phillips is waking up trying to understand a voice in the distance Wake up It's her mother You're going to be late for school again I'm not writing a note this time Transported back in time to the eve of her eighteenth birthday Ramie's experience is the fantasy of every woman who's ever thought If I could go back in time knowing what I know now I'd do things so differently

Intermedialities Henk Oosterling, Ewa Plonowska Ziarek, 2012-07-10 Bringing together an international and interdisciplinary group of scholars *Intermedialities* Philosophy Arts Politics is a comprehensive collection devoted to the new field of research called intermedialities The concept of intermedialities stresses the necessity of situating philosophical and political debates on social relations in the divergent contexts of media theories avant garde artistic practices continental philosophy feminism and political theory The intermedial approach to social relations does not focus on the shared identity but instead on the epistemological ethical and political status of inter-being in between At stake here are the political analyses of new modes of being in common that transcend national boundaries the critique of the new forms of domination that accompany them and the search for new emancipatory possibilities Opening a new approach to social relations *intermedialities* investigates not only engagements between already constituted positions but even more the interval antagonism and differences that form and decenter these positions Consequently in opposition to the resurgence of cultural and ethnic particularisms and to the leveling of difference produced by globalization the political and ethical analysis of the in-between enables a conception of community based on difference exposure and interaction with others rather than on an identification with a shared identity Investigations of in-betweenness both as medium specific and between heterogeneous sites of inquiry range here from philosophical conceptuality to artistic practices from the political circulation of money and power to the operation of new technologies They inevitably invoke the crucial role of embodiment in creative thought and collective acting As a mediating instance between the psyche and society matter and spirit nature and culture and biology and technology the body is another interval forming and informed by socio-linguistic relations As these com

Code Red E. J. Dionne, 2020-02-04 An exquisitely timed book Code Red is a worthwhile exploration of the shared goals and shared enemies that unite moderates and progressives But more than that it is a sharp reminder that the common ground on which Dionne built his career has been badly eroded with little prospect that it will soon be restored The New York Times Book Review New York Times bestselling author and Washington Post columnist E J Dionne Jr sounds the alarm in Code Red calling for an alliance between progressives and moderates to seize the moment and restore hope to America s future for the 2020 presidential election Will progressives and moderates feud while America burns Or will these natural allies take advantage of the greatest opportunity since the New Deal Era to strengthen American democracy foster social justice and turn back the threats of the Trump Era The United States stands at a crossroads Broad and principled opposition to Donald Trump s presidency has drawn millions of previously disengaged citizens to the public square and to the ballot boxes This inspired and growing activism for social and political change hasn t been seen since the days of Franklin Roosevelt s New Deal policies and the Progressive and Civil Rights movements But if progressives and moderates are unable and unwilling to overcome their differences they could not only enable Trump to prevail again but also squander an occasion for launching a new era of reform In Code Red award winning journalist E J Dionne Jr calls for a shared commitment to decency and a politics focused on freedom fairness and the future encouraging progressives and moderates to explore common ground and expand the unity that brought about Democrat victories in the 2018 elections He offers a unifying model for furthering progress with a Politics of Remedy Dignity and More one that solves problems resolve disputes and moves forward that sits at the heart of the demands for justice by both long marginalized and recently displaced groups and that posits a positive future for Americans with more covered by health insurance more with decent wages more with good schools more security from gun violence more action to roll back climate

change Breaking through the partisan noise and cutting against conventional wisdom to provide a realistic look at political possibilities Dionne offers a strategy for progressives and moderates to think more clearly and accept the responsibilities that history now imposes on them Because at this point in our national story change can't wait **Life Force** Tony Robbins, Peter H.
