Drelincourt,2018-06-29 True Irish Ghost Stories by St John D St John Drelincourt Seymour CHAPTER I HAUNTED HOUSES IN OR NEAR DUBLIN Of all species of ghostly phenomena that commonly known as haunted houses appeals most to the ordinary person There is something very eerie in being shut up within the four walls of a house with a ghost The poor human being is placed at such a disadvantage If we know that a gateway or road or field has the reputation of being haunted we can in nearly every case make a detour and so avoid the unpleasant locality But the presence of a ghost in a house creates a very different state of affairs It appears and disappears at its own sweet will with a total disregard for our feelings it seems to be as much part and parcel of the domicile as the staircase or the hall door and consequently nothing short of leaving the house or of pulling it down both of these solutions are not always practicable will free us absolutely from the unwelcome presence We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **True Irish Ghost Stories** John Seymour,2012-12-12 There is something so natural and at the same time so unnatural in seeing a door open when we know that there is no one on the other side of it or in hearing the sound of footsteps and feeling that it cannot be attributed to the feet of a mortal These simple yet compelling narratives provide amazing descriptions of poltergeists and banshees spirit filled houses deathbed scenes and uncanny fore warnings of death **True Irish Ghost Stories** ,1926 **True Irish Ghost Stories** St John D.
