Jesus Centered Youth Ministry: Guide for Volunteers Rick Lawrence, 2014-12-08 If you're a volunteer in youth ministry you've likely wondered How did I get here No matter how you'd normally answer one thing's for sure You're here because Jesus nudged or maybe even dragged you here That's because Jesus loves you and loves teenagers and he wants them to get what you have to give But how do you maximize your time with them And how can you make an impact that draws students into a closer orbit around Jesus When you're captured by the real Jesus not the knockoff Jesus we often hear about in our culture then your pursuit of him influences your kids pursuit of him And when you're all in with the real Jesus you have lasting impact in your interactions with students This guide for volunteers is a condensed version of Rick Lawrence's wildly successful book *Jesus Centered Youth Ministry* It delivers a laser sharp focus on why we need a renewed focus on Jesus in youth ministry and gives you practical sustainable ways to put JCYM ideas into practice You'll encounter page after page of field tested ideas for crafting and nurturing a Jesus magnetic ministry environment Help satisfy your teenagers hunger for Jesus by helping to shift the orbit of your ministry Breaking Free from the One Pastor Mentality in Congregational Life Cynthia L. Hale, 1991 **The Biblical Counseling Movement after Adams (Foreword by David Powlison)** Heath Lambert, 2011-11-02 People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison But as any student or teacher of

the discipline can attest those differences have been ill defined and largely anecdotal until now Heath Lambert the first scholar to analyze the movement's development from within shows how biblical counseling emerged from and remains rooted in a commitment to the sufficiency of Scripture and the need to give practical help to struggling people He identifies contemporary leaders including Powlison Ed Welch Paul Tripp and Wayne Mack who emphasize the sinner as sufferer the heart as key to motivation and the need to interact humbly with critics Demonstrating how these refinements in framework methodology and engagement style are characteristic of a second generation of biblical counselors Lambert contends this new wave of counselors is now increasingly balanced in their counseling methods With a substantial foreword from David Powlison and strong support from prominent biblical counselors this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced
