Toward the Gleam T. M. Doran, 2011-01-01 Between the two world wars on a hike in the English countryside Professor John Hill takes refuge from a violent storm in a cave There he nearly loses his life but he also makes an astonishing discovery an ancient manuscript housed in a cunningly crafted metal box Though a philologist by profession Hill cannot identify the language used in the manuscript and the time period in which it is was made but he knows enough to make an educated guess that the book and its case are the fruits of a long lost but advanced civilization The translation of the manuscript and the search for its origins become a life long quest for Hill As he uncovers an epic that both enchants and inspires him he tracks down scholars from Oxford to Paris who can give him clues Along the way he meets several intriguing characters including a man keenly interested in obtaining artifacts from a long lost civilization that he believes was the creation of a superior race and will help him fulfill his ambition to rule other men Concluding that Hill must have found something that may help him in this quest but knowing not what it is and where it is hidden he has Hill his friends at Oxford and his family shadowed and threatened until finally he and Hill face off in a final climatic confrontation A story that features a giant pirate and slaver a human chameleon on a perilous metaphysical journey a mysterious hermit and creatures both deadly and beautiful this is a novel that explores the consequences of the predominant ideas of the 20th Century **Finding Peace**

Miracle Dog Miracle God John McCreedy,2013-10-14 Im more convinced than ever that if youre going to write a book it must come from deep inside you I believe thats so true regarding the writing of any good book but particularly this volume While my first published work *The Seers House* arrived in one single vision at 3 oclock in the morning my second endeavour *Miracle Dog Miracle God* took a lot longer to emerge For over ten years following my first publication I was caught up in the mission field in Romania and literally didnt have time to write a follow up Indeed only after Id returned from Romania and been separated from my best friend Snowbell our Golden Retriever Labrador did I really begin to accept that another book may be about to be birthed I couldnt shake off the writing of this book and so eventually I sat down and wrote it Nevertheless *Miracle Dog Miracle God* hasnt been the easiest manuscript to create for various reasons Trying to keep to my subject matter what God the Father taught me about Himself through the love of a dog when there was so much more to tell about our Romanian endeavours hasnt been straightforward Writing each chapter as a parable was equally challenging but in the end I think Ive managed to produce what has been within me since 2008 Finally the emotion I experienced writing about this remarkable little dog was quite unexpected On numerous occasions I would have to literally down tools and shed tears while at other times I laughed out loud and so enjoyed reminiscing about happier moments with Snowbell My desire is that *Miracle Dog Miracle God* will make you laugh and cry yet also instruct you about the amazing unconditional love of God After all

thats exactly what happened to me when I was introduced to Snowbell a beautiful gift from God to my life if ever there was one
