*Teenage Pregnancy* Anne L Dean, 2013-05-13 Unwed teenage pregnancy is a national problem and a puzzle for clinicians and social psychologists For how are we to understand a pattern of behavior that is strongly motivated and yet likely to end in unfortunate outcomes Moreover why does the pattern of unwed teenage pregnancy repeat in successive generations in some families despite education and previous experience whereas in other families the pattern is broken Reporting on intensive social and psychological research in a rural African American community in Louisiana Anne Dean offers a compelling view of this phenomenon that integrates historical and economic analysis with a sensitive psychological inquiry into the minds of mothers and daughters and the patterns of communication between them *Teenage Pregnancy The Interaction of Psyche and Culture* transcends earlier investigations by going beyond conventional research strategies to test psychodynamic theories about the formation of internal worlds Drawing on the work of Erik Erikson and Hans Loewald Dean not only finds empirical justification for psychodynamic theories of psychic structure but also extends the scope and methodology of attachment research in an exciting new direction Specifically her analysis reveals how different kinds of attachment relationships between mothers and daughters manifest themselves in adolescence as internal working models that become the templates for interpreting and acting upon contradictory economic social and familial expectations In demonstrating how social factors and cultural schemas interact with psychodynamic motives and structures *Teenage Pregnancy* has widespread applicability to social science research in general And it offers psychodynamically oriented clinicians working with adolescents the opportunity to become better acquainted with the ways in which mother daughter relationships gain expression in the identity choices of teenage girls

**American Fantastic** Derek J. Thiess, 2025-12-02 *American Fantastic* challenges readers to recognize an organizing myth in America's perception of its imperialist past the myth of redemptive violence Derek J. Thiess persuasively argues that this myth serves to obscure the deep thread of Christian supremacy that underwrites America's colonial and imperial impulses

from the early colonial period to westward expansion to the contemporary global order This American imaginary which enmeshes religion with violence is constructed in multiple contentious and productive contact zones between genres between cultures and between past and present Thiess's interdisciplinary study examines America's past and present imperial projects from the Hawaiian Islands to the Eastern Seaboard as they proliferate in popular story forms By interrogating American myths legends and fantastic narratives across an impressive array of genres including folk narratives science fiction movies and more Thiess exposes how the myth of redemptive violence manifests in contemporary constructions of America's fantastic imaginaries

**True Stories of Teen Terrorist Recruits** Bridey Heing, 2017-12-15 Terror groups recruitment efforts center on vulnerable impressionable populations which make teens a common target This book helps readers understand why and how teens join terrorist organizations like ISIS and the Lord's Resistance Army by providing specific case studies The book also explains the geopolitical circumstances that have given rise to terrorist groups themselves and promotes critical thinking about what drives young people to engage in terrible violence

*Neighbors* Deanna Ferree Womack, 2020-03-17 Named one of the Top 10 Books of the Year in 2020 by the Academy of Parish Clergy For a long time American Christians have been hearing a story about Islam It's a story about conflict and hostility about foreigners and strangers At the heart of this story is a fundamental incompatibility between the two religions going all the way back to their original encounters According to that story the only valid Christian response to Islam is resistance But it's time to tell a different and truer story Christians and Muslims have not always fought or lived in fear of each other Christian communities in majority Muslim countries have coexisted with their Muslim neighbors for centuries More importantly Muslims have been part of the American story from its beginning And like their Christian neighbors Muslims want to make the community in which they live a better place for all citizens In *Neighbors* Deanna Ferree Womack lays the groundwork for members of the two religions to understand converse and cooperate with each another With models for cultivating empathy and interfaith awareness Christians can move from neighborly intention to real dialogue and common action with Muslims in the United States Ideal for individual or group study the book includes discussion guide for group study with links to video clips a timeline of the first Muslim communities and a glossary of Arabic terms related to Islam

**Violence on Television** Barrie Gunter, Jackie Harrison, Maggie Wykes, 2003-01-30 Concern about violence on television has been publicly debated for the past 50 years TV

violence has repeatedly been identified as a significant causal agent in relation to the prevalence of crime and violence in society Critics have accused the medium of presenting excessive quantities of violence to the point where it is virtually impossible for viewers to avoid it This book presents the findings of the largest British study of violence on TV ever undertaken funded by the broadcasting industry The study was carried out at the same time as similar industry sponsored research was being conducted in the United States and one chapter compares findings from Britain and the U S A The book concludes that it is misleading to accuse all broadcasters of presenting excessive quantities of violence in their schedules This does not deny that problematic portrayals were found But the most gory horrific and graphic scenes of violence were generally contained within broadcasts available on a subscription basis or in programs shown at times when few children were expected to be watching This factual analysis proves that broadcasters were meeting their obligations under their national regulatory codes of practice

**Loving My Actual Neighbor** Alexandra Kuykendall,2019-04-02 As Christians we know we are called to love our neighbor We may even grasp that neighbor encompasses more than just the people living next door or down the street But what we too often don't know is how to begin How do we love our neighbor Where do we start What does this look like in our increasingly isolated world Following practices outlined in the first chapter of 2 Peter Alexandra Kuykendall lays out the framework for where to begin From practicing humility to listening with understanding to being generous in our relationships **Loving My Actual Neighbor** offers practical start now steps readers can take to love their neighbors With her approachable friendly tone and down to earth advice Kuykendall has carved out for herself a place in the hearts of readers who will be thrilled to extend her commonsense approach into this sphere of their lives

**Unequal Neighbors** Kristen Hill Maher,David Carruthers,2021-04-02 San Diego and Tijuana are the site of a national border enforcement spectacle but they are also neighboring cities with deeply intertwined histories cultures and economies In **Unequal Neighbors** Kristen Hill Maher and David Carruthers shift attention from the national border to a local one examining the role of place stigma in reinforcing actual and imagined inequalities between these cities While the details of the book are particular to this corner of the world the kinds of processes it documents offer a window into the making of unequal neighbors more broadly The dynamics at the Tijuana border present a framework for understanding how inequalities that manifest in cultural practices produce asymmetric borders between places

**Gender, Violence and Power in Indonesia** Katharine McGregor, Ana Dragojlovic, Hannah Loney, 2020-03-13 This book uses an interdisciplinary approach to chart how various forms of violence domestic military legal and political are not separate instances of violence but rather embedded in structural inequalities brought about by colonialism occupation and state violence The book explores both case studies of individuals and of groups to examine experiences of violence within the context of gender and structures of power in modern Indonesian history and Indonesia related diasporas It argues that gendered violence is particularly important to consider in this region because of its complex history of armed conflict and authoritarian rule the diversity of people that have been affected by violence as well as the complexity of the religious and cultural communities involved The book focuses in particular on textual narratives of violence visualisations of violence commemorations of violence and the politics of care

**Women Escaping Violence** Elaine J.

Lawless, 2013-03-07 The statistics are alarming Some say that once every nine minutes a woman in the United States is beaten by her spouse or partner Others claim that once every four minutes a woman in the world is beaten by her spouse or partner More women go to emergency rooms in the United States for injuries sustained at the hands of their spouses and partners than for all other injuries combined Shelters for battered women are filled beyond capacity every single day of the year Despite the overwhelming evidence that violence in our homes is a daily reality most of us are not willing to acknowledge this private violence or talk about it openly Women Escaping Violence brings women s stories to the attention of the academy as well as the reading public While we may be unwilling or unable to talk about the issue of battered women many of us are ready to read what women have to say about their endangered lives Considerable scholarship is emerging in the area of domestic violence including many self help books about how to identify and escape abuse Women Escaping Violence offers the unique view of battered women s stories told in their own words as well as a feminist analysis of how these women use the power of narrative to transform their sense of self and regain a place within the larger society Lawless shares with the reader the heart wrenching experiences of battered women who have escaped violence by fleeing to shelters with little more than a few items hastily shoved into a plastic bag and often with small children in tow The book includes women s stories as they are told and retold within the shelter in the presence of other battered women and of caregivers It analyzes the uses made of these narratives by those seeking to counsel battered women as well as by the women themselves
