

My virtual Child Reflection

1. As our use of the program ends, what pathways does your child appear to be on in terms of physical, cognitive, social, emotional and moral development? Choose three aspects of your child to discuss. To what extent could you have predicted these pathways based on what you knew of your child's earlier development?

--- 1 point for discussing each of two pathways and 1 point each for providing supporting documentation (4 points)

2. Describe one specific way in which you think your parenting mattered for your child's development, based on evidence from the course regarding the contributions of parents to child development. Describe one specific way in which your child developed that appeared to be influenced by factors outside your control, such as genes, random environmental events or the general influence of contemporary middle-class American culture.

--- 1 point each for describing a parenting and non-parenting influences and 1 point for each example for providing evidence from the course that supports your choice of this influence as important (4 points)

3. Please explain three personal connections you made during this semester long assignment. These might include better understanding of a decision your parents made, impact on how you might parent, how you are parenting, the supports you might provide in your future career. These can be framed using the language "prior to this assignment I believed/understood _____, now I believe _____." This is because _____.

- 2 points each for specific descriptions of your shift in belief and supporting evidence. (6 points)

5. Did this lab provide a good practical application opportunity of the course content? Why or why not? Please provide at least 2 examples.

--- 2 points for each example. (4 points)
