Translation Stavroula (Stave) Vergopoulou, 2024-07-26 Within the interdisciplinary framework of gender translation and
advertising this study investigates gender representations of fictional characters in original and translated audiovisual
advertisements Stavroula Stave Vergopoulou discusses various manifestations of sexism on verbal and or nonverbal levels
She also explores the ways in which translators can reduce or mitigate linguistic sexism in advertising translation to foster
gender fair language use Her research draws on sociocultural linguistics and particularly on a social constructionist
approach to gender identities The exploration of the relationship s of gender and advertising and the discussion of the key
concept of translation form the theoretical basis for the empirical research work For this English and German commercials
