Keep an essay short and simple

The first is to make sure that the paper is concise. Writing a college essay must not be something like a novel. Instead, it should be straight to the point so as for the person who will check it will easily understand what you are talking about. The common or the standard minimum number of words required by most college applications would be 250 words. If it is way beyond that, the person who will check it might get bored and would just throw away your paper.

Be honest

It is not advisable to write unreal achievements or skills. No matter what, the school that you are applying to will still figure it out.
