Slowcooker Recipe Pork:

Alison's Slow Cooker Pork Recipes - Time Saving, Easy to Make, Mouth Watering Meals with Slow Cooker Alison Kowalski, 2015-06-08 In today's modern age it's hard to find the kind of cooking that I grew up with. When I was a child cooking was a family activity that was always spearheaded by my grandmother, the matriarch of my family. These days I noticed how many different children are now growing up without home-cooked meals or the dinners cooked with love by their parents. It's a shame and it's something that needs to be corrected. In this cookbook instead of jamming it with hundreds of recipes that you would probably never use, I have hand-picked 50 of my family's most favorite slow cooker pork recipes. They are the best of the best. Not only they are delicious but also very easy to prepare, perfect for anyone who is leading a busy lifestyle and simply doesn't have the time to cook. Just imagine a great meal your whole family would enjoy that only takes 10-15 minutes to prepare, then just let the slow cooker or Crockpot do its magic while you are at work. The dinner would be ready when everyone walks in the door. I have organized these recipes into 6 categories: Pork Chops, Roast, Stew, Ribs, Pulled Pork, Miscellaneous, to make your selection easy. The Table of Contents allow you to go to any individual recipe with a single click. So go ahead, try them out and mix them up. May they serve you and your family as well as they have served mine.

Not Your Mother's Slow Cooker Cookbook Beth Hensperger, Julie Kaufmann, 2004-12-21 The slow cooker is perfect for today's lifestyle in which everyone is time and energy conscious, economy wise and concerned about nutrition and demanding of great flavor. This book offers a way of traditional cooking that's new and fresh. **123 Pork Crock Pot Recipes** Olive Rubio, 2020-07-17 Food Tastes Better When You Eat It With Your Family. Read this book for FREE on the Kindle Unlimited NOW. A great bonding experience for the family is the mere act of being together around the dining table without anyone glued to their smartphones and other forms of distractions. Obviously this can't possibly happen all the time. That's the reason why this book 123 Pork Crock Pot Recipes comes in. Let's discover right now 123 Awesome Pork Crock Pot Recipes. The recipes in the book 123 Pork Crock Pot Recipes are the result of the long years I've spent with my mother and sisters helping them cook a lot of main dishes. What I learned about cooking I mostly picked up from observing and asking questions which led to something good. Each time I asked my mom how she prepared her specialty dish she would share with me how she did it. But I've neither recorded nor tested her recipes. Beneath her piles of index cards filled with recipes plus handwritten notes, cookbooks and cut out magazine pages with recipes my mom has barely touched are a precious collection of our family favorites forever etched in our memories. Most of the meals we prepare in the kitchen reflect so much about our family's past. These are the foods made in my many homes in numerous countries throughout the years. People say that variety is the spice of life. And so you'll find here a global viewpoint on both healthy and indulgent food choices. From my family's table to yours, may you have a great time bonding with your family and making fond memories together.
