of numerous agents of prints booksellers printers designers engravers and their involvement in the making and marketing of illustrated editions It examines the ways in which the makers of books not only produced printed visual culture artefacts but also contributed to the ideological inscription of these illustrations to engender patriotic concerns and issues of national identity The book differs fundamentally from existing interventions in book illustration studies Examinations of eighteenth and early nineteenth century British literary book illustrations have as a rule been selective rather than broad in scope or systematic in outlook they have focused on English examples of book illustrations By contrast *The Publishing and Marketing of Illustrated Literature in Scotland 1760-1820* studies a large body of illustrated editions and adopts a systematic and decentered non London centered approach It focuses on the examination of the production of literary book illustrations in eighteenth and early nineteenth century Scotland while at the same time bearing in mind that developments in the marketing of illustrated books need to be understood as part of the cultural and book historical dynamics of exchange that existed between Scotland and England Not only does the monograph offer the first large scale study of the subject contextualizing literary book illustrations in terms of the ideologically defined ventures as part of which they were issued but it also draws a map of illustrated works that has not been imagined yet by scholars of the history of the eighteenth and early nineteenth century book In doing so the book provides an account of the publishing of belles lettres and the various strategies that bookseller publishers deployed to market their editions competitively in both Scotland and England

Étienne Pasquier, *The Jesuits' Catechism or Their Doctrine Examined* (1602) Robert Aleksander Maryks, Jotham Parsons, 2021-10-18

Etienne Pasquier 1529-1615 was a lawyer royal official man of letters and historian He represented the University of Paris in its 1565 suit to dislodge a Jesuit school from Paris Despite royal support the Jesuits remained in conflict with many institutions which in 1595 led to their expulsion from much of the realm With ever increasing polemics Pasquier continued to oppose the Jesuits To further his aims he published a dialog between a Jesuit almost certainly Louis Richeome and a lawyer Pasquier himself He called it the *Jesuits Catechism* 1602 Pasquier's work did not stop the French king from welcoming the Jesuits back However Pasquier's *Catechism* remained central to Jansenist and other anti Jesuit agitation up to the Society's 1773 suppression and beyond
