But when her mother goes missing, Enne must leave her finishing school behind to follow her mother's trail to the city where no one survives uncorrupted. Frightened and alone, Enne has only one lead: the name Levi Glaisyer. Their search for clues leads them through glamorous casinos, illicit cabarets, and into the clutches of a ruthless Mafia donna. THE DIMINISHED In the Alskad Empire, nearly all are born with a twin, two halves to form one whole. A rare few are singleborn in each generation and therefore given the right to rule by the gods and goddesses. Bo Trousillion is one of these few, born into the royal line and destined to rule. But when one twin dies, the other usually follows, unable to face the world without their other half. Those who survive are considered diminished, doomed to succumb to the violent grief that inevitably destroys everyone whose twin has died. Such is the fate of Vi Abernathy, whose twin sister died in infancy. Bo and Vi face very different futures: one a life of luxury as the heir to the throne, the other years of backbreaking work as a temple servant. But a long-held secret and the fate of the empire are destined to bring them together in a way they never could have imagined.
