Touched by Night: A Dark Elf Fantasy Danica Slate,2014-09-02 Alanna is a High Elven scholar who has studied the strange ways of the Dark Elves for over a century But the uneasy peace between their people is shattered when the elf maiden is taken prisoner by her dark and twisted brethren Alanna has long studied their forbidden practices spent many long nights absorbed in contemplation of their sexual rites and proclivities She knows the rumours the whispered tales knows them so well she dreams of them sometimes Always in the past she was herself the captive trapped far beneath the earth waiting with bated breath and trembling anticipation for her twisted captors to come for her Much as she is now

The Elf Maiden's Body Swap with the Minotaur Danica Slate,2014-08-14 Feldar is a mighty Minotaur warrior feared and respected amongst his people But then he draws the ire of a vengeful Elven witch and when one of her spells goes awry he finds himself unexpectedly trapped in the body of the sultry seductress Soon he is captured by another group of minotaur his own people But the fierce warriors fail to recognize their own and soon Feldar is taken bound and helpless as a slave back to his own village Now publicly displayed for all the village to see Feldar finds himself succumbing to the passions of the strange new

body he inhabits But just as he begins to lose himself to throes of lust while the monstrous creatures look on a lone minotaur enters the cage intent on claiming the elf maiden for a prize The witch herself now wearing Feldar s skin The thing that wore Feldar s shape crouched down beside its prone captive wrapped a massive arm around the cowering form The creature s bovine scent washed over her as he pulled her in close leaning forward to whisper in her ear You nearly defeated me Feldar The creature s whisper was hot on her cheek She looked up into his eyes seeing at last a familiar mocking expression one that had sat upon a very different brow just this morning atop a certain mountain pass The witch Feldar gasped The minotaur smiled with a slight inclination of his head Salindara I am called Though here I am known as Feldar it appears The witch continued with a wry smirk I was so disoriented I nearly tumbled down that damned mountain The other minotaur stumbled upon me and bound my wounds taking me for one of their own It took but a few simple spells to conjure up the appropriate memories and mannerisms to make the illusion complete But why Feldar s mind reeled What have you to gain from impersonating me Why my pet I should think you would understand quite well I plan to avenge myself upon you for ruining my wares slaying my men and trying to kill me And I assure you that the vengeance of a witch is much more severe than what even your savage people are accustomed to The minotaur leaned in close his teeth bared in a wicked grin Now that I have you in my grasp I won t be letting you go so easily my pet Suddenly Feldar was seized in the minotaur s powerful grasp her body hefted into the air with effortless ease She flailed about but Salindara s hold only tightened around her I claim this one as my prize the minotaur called out though I may be persuaded to share her after I am finished **Web of Desire**

Danica Slate,2015-01-07 The ancient Sorcerer Demart has found his rebellious son the perfect fertile young bride to carry on his bloodline The only problem is that neither the bride nor the groom want anything to do with one another In secret each of them has taken a fae lover members of the mysterious forest people known as Woolgatherers Together with their magical lovers the betrothed couple hatch a plan to counteract the old wizard s wedding plans There s only one problem in order to fool the powerful sorcerer they re going to need to switch bodies and the wedding ceremony isn t over until the marriage has been consummated Put your arms around me Tyall whispered against her ear Kara did so and nestled into the crook of her neck The woolgatherer continued to murmur A warm wind kicked up around them swirling leaves up from the earth and fluttering against their skin Black and red hair swirled into tangles together The human woman clung tighter as a strange dizziness overtook her She began to lose her sense of balance as her stomach fluttered into her throat All she could hear now was the sound of Tyall murmuring her strange song She gasped as the world lurched around her For several moments it felt like she was falling through the air turning over and over without purchase until suddenly she jolted back to solid ground again Oh she cried out and pulled back from the embrace Her heart was racing and her vision swam The world felt different Sounds were sharper smells clearer A naked figure stood before her that of a short slim muscled woman with black hair and a steely hazel eyed gaze She was staring at herself Kara broke out in amazed laughter Terren smiled wider from his position

at the edge of the circle Aidan turned back around annoyed and curious Tyall in Kara s body picked up the discarded nightgown and pulled it back on She stretched acclimating to the new body Hmm she murmured thoughtfully then waggled a long finger at Kara who stood uncertainly in Tara s lithe tanned body It would seem Demart didn t choose an untouched woman for his son What How do you know that Kara s skin turned darker in a blush She looked to Terren who shrugged I see Tyall s laugh was like a bell as she winked at other woolgatherer You worked faster than I expected She walked toward a bewildered Aidan and wrapped her arms around his neck He was still thrown that the woman who had previously hated the sight of him was now in his arms Don t pull away from me my love she laughed We are to be married How How long will this last he asked between kisses You re suddenly so shy It s adorable Don t get too friendly with my body Kara frowned with Tyall s full red lips Well the same goes for you kitten I m going to have to ask you to keep away from your little lover boy here until this business is finished Though I understand that may be rather difficult for you to manage the disguised woolgatherer winked at her and glared purposefully at Terren who looked so chagrined that Kara almost laughed out loud Kara had never realized her glare was so effective until seeing it in action Maybe she d go out of her way to make Tyall eat her words

A Fae Affair: Bound by Magic Danica Slate,2014-08-14 Aidan is a brash arrogant young wizard and heir to his father s impressive legacy And it s high time he be wedded to a suitable woman to ensure the ancient line of sorcerers continues But Aidan has a secret a fae lover one of the Woolgathers an ancient race of magical forest creatures His father would never approve of their union and thus young Aidan harbors a bitter resentment toward the old man s matchmaking ways Speaking of which Kara has by now been whisked off to old wizard s family estate where she awaits the first meeting with her unwilling betrothed Never mind that she plans to do anything in her power to ruin her own marriage It s not until she meets the charming sensitive fae servant of her future husband that she finds a sympathetic ear and starts to wonder if maybe there s something worth sticking around for after all Wait she tugged hard on his hand Terren He turned back toward her His expression was wary The nimble fingers tightened on her hand warm and smooth I have to get you back He lowered his violet eyes She frowned She didn t understand this place but if there was an ally to be found here it was him And Kara suspected something in the way he avoided looking directly at her now and how his fingers were grazing the palm of her hand Why do you have to she asked She stepped closer Terren stiffened but did not drop her hand You don t like them do you They treat you terribly The old one does indeed Master Aiden is simply having a particularly bad day Regardless I don t mind his mouth quirked in a mysterious smile but he was tight with nervous energy She ran her other hand slowly up his chest and he flinched backward You re lying His small smirk faded into a frown She glared hard at him their faces so close she could feel his breath on her cheek His expression softened suddenly His eyebrows quivered in a look of intrigue as he explored her eyes nose down to her mouth Do you want to kiss me she whispered and leaned toward him Terren inhaled sharply but did not move to embrace her He looked back up into her eyes Interesting the word whispered out of him with a confident playfulness

that unsettled Kara What is Terren s long fingers stroked down her hair He twirled a lock between his fingers You are He took her hand and turned away pulling her after him Follow me **Fantastic Creatures in Mythology and Folklore** Juliette Wood,2018-08-23 Drawing on historical sources myth and folklore Fantastic Creatures in Mythology and Folklore explores the roles of fantastical beasts particularly the unicorn the mermaid and the dragon in a series of thematic chapters organised according to their legendary dwelling place be this land sea or air Through this original approach Juliette Wood provides the first study of mythical beasts in history from the medieval period to the present day providing new insights into the ways these creatures continue to define our constantly changing relationship to both real and imagined worlds It places particular emphasis on the role of the internet computer games and the cyberspace community and in doing so demonstrates that the core medieval myth surrounding these creatures remains static within the ever increasing arena of mass marketing and the internet This is a vital resource for undergraduates studying fantastic creatures in history literature and media studies
