Living Souls in the Spirit Dimension Chris H. Hardy, 2020-06-09 An examination of our consciousness s ability to pass between dimensions both in life and after death and how to communicate with spirits Reveals that all beings exist simultaneously in the material dimension and in the soul hyperdimension and that our consciousness transcends death Provides evidence that the deceased keep in contact with their loved ones and are able to visit them as apparitions give them advice and protect them Offers rigorous scientific analysis of paranormal occurrences including evidence of life after death house spirits near death and out of body experiences and communication with the souls of the deceased In this exploration of consciousness after death communication and the validity of near death and out of body experiences Chris H Hardy Ph D a former researcher at Princeton s Psychophysical Research Laboratories reveals that all beings exist simultaneously in the material dimension and in the soul hyperdimension During life we can access the soul hyperdimension through heightened states of consciousness and dreams After death we cease to physically exist but our consciousness continues on in the hyperdimension as a living soul a complete personality able to perceive and even affect the material world Through rigorous scientific analysis of psi experiences and surveys the author shows that the deceased keep contact with the living by visiting them as apparitions protecting them from harm and even interceding to solve family problems or resolve their own unfinished business She details her own psi and spiritual experiences such as interactions with a house spirit clairvoyance in lucid dreams and her decades of communication with the souls of the deceased including her own parents and scientific geniuses and provides

empirical evidence to support their reality Moreover Hardy offers tested methods for gaining access to the soul dimension and explores what can be accomplished there including communicating with those who exist beyond our own matter world Sharing her breakthrough understanding of the soul dimension as a hyperdimension pervading the universe where our consciousness lives on after physical death Hardy shows that we are all transdimensional beings and that the living souls of the spirit dimension welcome our interaction **Managing Global Innovation** Roman Boutellier, Oliver
