Take Your Church S Pulse:

Take Your Church's Pulse Tim Koster, John Wagenveld, 2014-10-07 *Take Your Church s Pulse* presents ten vital signs of a healthy church five key commitments and five key functions It then introduce you to a church health diagnostic tool you can apply to your setting Thousands of pastors and leaders around the world have found this paradigm helpful in organizing the ministry and mission of the local church This book and the free diagnostic tool it presents are most useful if accompanied by a healthy process of conversations With such a process led by the Spirit this book can help you discern a preferred future for your community of faith Koster and Wagenveld write A healthy community of faith is rooted first of all in the character and nature of God It understands its mission and purpose in the world and organizes its life and work to be faithful and effective in its context None of these vital signs stands alone It is a combination of factors that together make up a faithful and fruitful organism the living Church of our Lord Jesus Christ There is no magic in the number ten but for the teaching purposes it has worked quite well in different cultural contexts in providing ideas and a language for discussing important issues in congregational life and mission The intended audience for this book is any pastor leader or church member who is interest in having healthy conversations with others to strengthen the local church *Take Your Church's Pulse* Tim Koster, 2014

Organic Outreach for Churches Kevin G. Harney, 2018-05-22 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements But few are actually bearing fruit Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches *Organic Outreach for Churches* provides direction for local congregations to weave evangelism into the fabric of the church Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out although these things are good Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation This will not happen accidentally There is huge spiritual and practical resistance to such changes But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church s life *The U-Turn Church* Kevin G. Harney, Bob Bouwer, 2011-06-01 You don t need to tell pastors that the majority of churches in America are in a state of stagnation or decline Most of them are ministering in such a church Now two pastors who turned their churches around show leaders how they can help usher in a new season of health faithfulness growth and vision in their churches *The U Turn Church* walks readers through the roadblocks of tradition lack of vision or leadership structural problems and concerns about denominational distinctives to forge a new way forward into a hope filled future Through the stories of two churches that have experienced healthy transformation readers will see that there is not just one right way to reverse decline They will receive practical help and wisdom born of experience as they begin their own U Turn journey **The Forgotten Ways**

Umidi, 2020-10-27 A guide to both sides of the candidate process With humor and insight born of experience Joseph Umidi helps candidates approach a selection process by clarifying their personal vision for ministry connecting heart to heart with decision makers and asking the right people the right questions Search committee members will find guidance in analyzing a church's readiness for change determining what is most needed and evaluating a candidate's strength in meeting those needs Eleven appendixes provide key model documents that will help the decision making process **Queering the Pulpit** Karyn L. Wiseman, 2024-11-07 Queering the Pulpit addresses the huge gap between the Queer community and the church by looking at the historical cultural theological and biblical issues that too often marginalize the Queer community After setting that contextual foundation the book addresses the clobber passages in the Hebrew Bible and the New Testament which are the texts that have been used to bash Queer folk Looking at these texts through new eyes is essential Using a Queer affirming process the book turns to creating a new process for establishing a foundation and understanding the diverse context into which sermons are delivered and heard Using a new exegetical

approach to crafting Queer affirming sermons the preacher will be better able to preach sermons that invite Queer folx inspire other listeners to welcome all and bring the listener to a deeper relationship with the Divine and hopefully their Queer siblings If this book helps save one gay kid one trans woman of color or one couple exploring their faith and their Queer lives it will be worth everything it took to bring this book to reality
