Deadly Encounters Barbara Smith,1994-07-01 Quiet pleasant communities sparkling under the clear blue skies of Alberta have witnessed bloody murders and violent mayhem From a wide variety of accounts Babara Smith has selected eight intriguing stories that will astound and amaze you Mystery still surrounds the fate of pro golfer Frank Willey who disappeared in 1962 Two men were convicted of his murder but his body has never been found No suspect however was ever found in the case of MaryAnn Plett The pretty young real estate agent disappeared after going to show a property to a client but some skeletal remains were discovered seven months later In 1948 a family could hardly have guessed that their newly purchased home would come complete with a corpse and in another case Winnie Wanner s bathroom was found splattered with blood Although her estranged husband was seen leaving the apartment with a suspiciously large bag Winnie vanished from the face of the earth These chilling tales previously little known outside Alberta also include matters of greed rum running shoot outs and hostages They will be every bit as fascinating to the crime buff as those found anywhere *Police Files: The Spokane Experience 1853-1995* M.
