Gates of Delicia Scott Ferrell, 2016-10-04 It's been a year since the incident at Gate City Park. As the city picks up the broken pieces, nobody believes fifteen-year-old Gaige Porter's story of what happened there. He doesn't care. All he cares about is getting back to Alisundi to find Aoife if she's still alive. Just when all seems hopeless, a chance presents itself in the form of the one who betrayed him.

The Vesta Shadows Trilogy Debra May Macleod, 2023-10-03 It is a world of power and privilege, secrets and sacred duty. It is the world of ancient Rome. And it is the esteemed Vestal Virgins, priestesses of Vesta, goddess of the home and hearth, who protect the Eternal Flame that protects the Eternal City. Brides of Rome. Dedicated to a thirty-year vow of chaste service. Priestess Pomponia finds herself swept up in the intrigue, violence, wars, and bedroom politics of Rome's elite. Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading, and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, *Literature for Young Adults* includes chapters on literary nonfiction, poetry, short stories, and drama, cover art, picture books, illustrated literature, and graphic novels, and film. It recognizes that while films can be used to complement print literature, they are also a literacy format in their own right, and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language, including traditional elements as well as metafictional terms, enables readers to share in a literary

conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading **Good Bad Psycho** Ty
