Translation and Stylistic Variation Helen Gibson, 2023-09-01 Translation and Stylistic Variation Dialect and Heteroglossia in Northern Irish Poetic Translation considers the ways in which translators use stylistic variation analysing the works of three Northern Irish poet-translators to look at how in this variety the translation process becomes a creative act by which translators can explore their own linguistic and cultural heritage The volume offers a

holistic portrait of the use of linguistic variety dialect and heteroglossia in the literary translations of Seamus Heaney Ciaran Carson and Tom Paulin shedding light on the translators choices but also readers experiences of them Drawing on work from cognitive stylistics Gibson reflects on how and why translators choose to add linguistic variety and how these choices can often be traced back to their socio cultural context The book not only extends existing scholarship on Irish English literary translation to examine issues unique to Northern Ireland but also raises broader questions about translation in locations where language choice is fraught and political The volume makes the case for giving increased consideration to the role of the individual translator both for insights into personal choices and a more nuanced understanding of contemporary literary translation practices in Ireland and beyond This book will be of interest to scholars working in translation studies literary studies and Irish studies For a video recording of the book s BCLT launch visit <https://www.youtube.com/watch?v=857wTF8crUM>

Cacaphonies Annabel L. Kim, 2022-04-05 Exploring why there is so much fecal matter in literary works that matter Cacaphonies takes fecal matter and its place in literature seriously Readers and critics have too long overlooked excrement s vital role in the twentieth and twenty first century French canon In a stark challenge to the tendency to view this literature through sanitizing abstractions Annabel L. Kim undertakes close readings of key authors to argue for feces as a figure of radical equality both a literary object and a reflection on literature itself without which literary studies is impoverished and sterile Following the fecal through line in works by Celine Beckett Genet Sartre Duras and Gary and the contemporary authors Anne Garr ta and Daniel Pennac Kim shows that shit far from vanishing from the canon after the early modern period remains present in the modern and contemporary French literature that follows She argues that all the shit in the canon expresses a call to democratize literature making literature for all just as shit is for or of all She attends to its presence in this prized element of French identity treating it as a continually uttered desire to manifest the universality France aspires to as encapsulated by the slogan *Libert galit fraternit* but fails to realize In shit there is a concrete universalism that traverses bodies with disregard for embodied differences Cacaphonies reminds us that literature and the ideas to be found therein cannot be separated from the corporeal envelopes that create and receive them In so doing it reveals the aesthetic political and ethical potential of shit and its capacity to transform literature and life

Foucault, Feminism, and Sex Crimes Chloë Taylor, 2018-10-08 This book brings together Foucault s writings on crime and delinquency on the one hand and sexuality on the other to argue for an anti carceral feminist Foucauldian approach to sex crimes The author expands on Foucault s writings through intersectional explorations of the critical race decolonial critical disability queer and critical trans studies literatures on the prison that have emerged since the publication of *Discipline and Punish* and *The History of Sexuality* Drawing on Foucault s insights from his genealogical period the book argues that those labeled as sex offenders will today be constructed to re offend twice over once in virtue of the delinquency with which they are inculcated through criminological discourses and in the criminal punishment system and second in virtue of the manners in

which their sexual offense is taken up as an identity through psychological and sexological discourses The book includes a discussion of non retributive responses to crime including preventative redistributive restorative and transformative justice It concludes with two appendixes the original 19th century medico legal report on Charles Jouy and its English translation by the author Foucault Feminism and Sex Crimes will be of interest to feminist philosophers Continental philosophers Women s and Gender Studies scholars social and political theorists as well as social scientists and social justice activists *The Story of Shit* Midas Dekkers, 2018-01-29 A masterful writing style that is not only unique in biology but without equal in the whole of Dutch literature The Story of Shit shows Dekkers once again to be in possession of a golden pen New Scientist We are very discreet We disappear into a small room perform the task flush wash and reappear as if nothing happened Of course hygiene is necessary some faecal bacteria if re ingested can cause very serious problems and unpleasant aromas are best kept at bay But in all this hygienic discretion have we lost touch with an integral part of ourselves something as much a part of living as breathing eating and sleeping Something enriching creative and even enjoyable In The Story of Shit Dutch biologist Midas Dekkers presents a personal cultural scientific historical and environmental account of shit from the digestive process and the fascinating workings of the gut to the act of defecation and toilet etiquette With irreverent humour and a compelling narrative style Dekkers brings a refreshing entertaining and illuminating perspective to a once taboo subject Midas Dekkers is a bestselling Dutch writer and biologist His books include Physical Exercise The Way of All Flesh Dearest Pet and The Larva Nancy Forest Flier is a Dutch to English translator She was educated in the USA and now lives in the Netherlands Dekkers is a reservoir of knowledge and shit Fans of his humorous distinctly European and meandering style of prose will enjoy The Story of Shit which includes a collection of delightful black and white illustrations Australian For those who aren t aware we are not our brain we are our gut There is always that unmistakable Midas touch his brilliant sharp style makes it hard to suppress a laugh or a smile Medisch Contact Dekkers doesn t hold back in his brimming history You learn a lot So do I recommend a book that tells how the CIA tried using transmitters disguised as tiger turds to eavesdrop on the Viet Cong Oh faeces yes New Zealand Listener It is such a wondrous thing when a scientist can explain facts in a humorous straightforward and thrilling fashion Toowoomba Chronicle A remarkable foray into every aspect of diet digestion and defecation This is a fascinating milestone work that should run out of bookshops like shit off a hot shovel GPSpeak A funny but earnest investigation part social history biology lesson and cultural study that takes Chaucerian delight in the subject Sydney Morning Herald The Story of Shit is entertaining amusing educational and revealing Sitting on the toilet will never be the same ArtsHub A fascinating very funny look at something common to us all Daily Telegraph An utterly unique bizarre and interesting take on this universal yet taboo topic Dekkers is an enthusiastic proponent of crap AU Review Intestinal fortitude required Prudes beware North South Packed with humour The Story of Shit is an enjoyable romp through culture science and history Australian Book Review **Alcestis (Euripides) with music by H.
