Try Sleeping With A Broken Heart:

Try Sleeping with a Broken Heart Sherene Holly Cain, 2016-09-01 Psychiatrist Glenda Ross loves working with women and has agreed to help a group of friends. However, her experience didn't prepare her for these four women. Lousa Barrymore thought she'd found the man of her dreams when she met handsome Bryan Cruise. He'd swept her away from an abusive relationship. Unbeknownst to her, he turns out to be somewhat of the same nature. She finds unimaginable ways to stop the beatings, but she may not be able to survive the aftermath. Free-spirited singer Delisha Mathews doesn't want to be tied down to anything except her music, her job, and her upcoming record deal. But her lover Marcus Daniels is hell-bent on making her his wife. When he finds out about her six-month rule and the string of broken hearts she's left behind, he goes over the deep end. Will this turn out to be an affair that she ultimately regrets? Naive housewife Shanea Townsend is married to rich, powerful Attorney Arlondo. She shouldn't have a care in the world, but she's constantly worried about her husband's business meetings, late-night phone calls, and mistresses. Will her insecurities cause her to lose her marriage and everything she's worked so hard to keep? Tressa Washington was the perfect wife, mother, friend, and employee, but after her husband's tragic death, she became addicted to a secret indulgence of sex and late-night hookups. Randall Seville is a one-night stand that she can't forget, but he has an addiction of his own. Secrets that refuse to stay buried in the perfect world that they've created may threaten to claim their happiness and possibly even their life. This is an edgy, unpredictable novel that is certain to leave you wanting more.
