Getting Your Book Published For Dummies Sarah Parsons Zackheim, Adrian Zackheim, 2011-03-10 There's never been a better time to be an author. Books like the Harry Potter series create a media phenomenon with people lining up and camping outside bookstores to purchase newly released titles. Yet book sales overall not just those of mega sellers are on the rise as more and more people seek knowledge and entertainment through reading. The Library of Congress currently registers about 60,000 new titles for copyright each year. 60,000 books by 60,000 authors. Imagine yourself as one. **Getting Your Book Published For Dummies** is your complete guide to realizing whatever gem of an idea you've been carrying with you. If you've ever thought this would make a really good book, be it the next great American novel or a guide to naming babies, here's your chance to put pen to paper and find out. Written from both sides of the editor's desk by a widely published writer and a HarperCollins veteran publisher, this guide puts in your hand the advice you need to: Pick an idea. Approach the publisher. Craft proposals and queries. Work with agents or act as your own. Self-publish. Negotiate a contract. Create the actual book. Sell your published book. Full of examples, proposals, query letters, and war stories drawn from the author's extensive experience, **Getting Your Book Published For Dummies** shows you how to clear all the hurdles faced by today's writers, freeing up precious time for you to refine your manuscript. You'll get the inside scoop on: Titling your book. Major publishers, smaller houses, niche publishers, university presses, and spiritual and religious publishers. The 12 elements of a successful nonfiction proposal. How editors read queries. Submitting fiction. Publishing outside the box. And much more. **Getting Your Book Published For Dummies** is the clear A-Z handbook that makes the entire process plain and practicable. You don't need to be a celebrity. You don't need to be some kind of publishing insider. All you need to do is write. **Los Angeles Magazine**, 2004-07 **Why Boys Don't Talk and why We Care** Susan Morris Shaffer, Linda Perlman Gordon, 2000 Explains why boys tend to suppress their emotions and helps mothers and other individuals who work with young males to understand their lack of communication and range of emotions **Forthcoming Books** Rose Arny, 1997-04 Rare Book Review, 2004 Joyce in the Belly of the Big Truck; Workbook Joyce A.
