Berding Professor of New Testament Talbot School of Theology at Biola University *Perseverance and Apostasy in the New Testament* concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John's Gospel walking through Acts and the letters and completing with the book of Revelation One's theological presuppositions will of course affect how he/she receives and responds to Kim's case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly *Perseverance and Apostasy in the New Testament* proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition *Perseverance and Apostasy in the New Testament* provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim's exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in salvation *Perseverance and apostasy in the New Testament* is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the *New Perspective on Paul* has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he

deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary **The Voluble Soul** Richard Willmott, 2021-01-01 The world's fair beauty set my soul on fire In this first study of the full range of Traherne's poetry Richard Willmott explains his metaphysical poetry to all who are attracted by the beauty of his language but puzzled by his meaning He offers guidance both for the student of English uncertain about Traherne's theological ideas and the student of theology put off by seventeenth century poetic conventions and diction Using a wealth of quotation he examines Traherne's verse alongside that of a variety of his contemporaries including Andrew Marvell Lucy Hutchinson Anne Bradstreet and Edward Taylor Central to Traherne's poetry and generous theology is his delight in the capacity of his soul to approach God through an appreciation of His infinite creation This soul is voluble not only because it can express its thoughts with fluency but also because it can enfold within itself the infinity of God's creation taking in everything that it perceives considering the latest scientific speculations about the atom and astronomy but also looking clear sightedly at Restoration society's materialism and in one startlingly savage satire the corruption of the royal court **X-Man** Jeph Loeb, John Ostrander, Warren Ellis, John Rozum, 2016-06-09 Straight from the pages of the Age of Apocalypse comes the saga of Nate Grey the X Man Arriving in the Marvel U proper Nate Grey must come to terms with being a stranger in a strange land Nate finds himself at odds with a host of major players And psionic sparks fly when Nate comes face to face with Cable Collects X MAN 5 14 EXCALIBUR 1988 95 CABLE 1993 29 31 **How to Overcome the Spirit of Fear** Evangelist Prophetess Ella Knight, 2010-10 In this book Evangelist Ella Knight shares the deep dark valleys of life that God allowed her to travel through From a rough marriage severe financial struggles vicious attacks by evil workers and more she shares the experiences that almost caused her to go over the edge But even more this book is a guide to overcoming the spirit of fear with which Satan wants to suppress us all Evangelist Knight couldn't understand why our All Wise and Almighty God Jehovah allowed her life to be so hard difficult and fearful until the Lord spoke and said unto her You can't lead where you haven't been you can't teach what you don't know and you can't share what you haven't experienced Therefore she had to go through the obstacles and be attacked by the demons devils and evil spirits that our Heavenly Father allowed to be laid in her path to draw her closer to Him Now she is able to understand identify and help His people as they go through the attacks that they don't understand This minister of God never imagined that life could be so fearful hard miserable and difficult until God allowed her enemies to come upon her to chase her into the Potter Hands Now she can't believe the faith and bravery that God has planted in her and the peaceful prosperous and joyful spirit that now lives within her In this book the author shares that journey from fear to fearlessness *The Gospel of Jesus* John Davidson, 2005 An uplifting study of Jesus his times and his teaching *Granada* Radwa Ashour, 2024-11-05 A TOP 100 LITERARY WORK OF THE TWENTIETH CENTURY THE ARAB
