Theocratic Ministry School Service Meeting:

Witness Tampering Barry Grant Marsh, 2019-03-29 Barry Grant Marsh who was a third generation Jehovah's Witness seeks to help others struggling to leave behind the Watchtower Bible and Tract Society dogma in this memoir that looks at Jesus Christ in a new light. He reveals the powerful training methods employed by Jehovah's Witnesses to manipulate and control their followers as well as steps you can take as a Christian that will protect you from falling victim to this cult. Moreover, he provides tips on reaching out to loved ones who are members and advice on responding to Witnesses who knock on your door. Marsh also shares details from his own journey of finding Jesus which took more than thirty years and was dominated by his dedication to an organization that brought him difficulty, disillusion, and disappointment. In the end, he realized that the Holy Spirit was there to lead him through it all. Join Marsh on a compelling and heartfelt journey toward biblical truth and start your own walk toward Christ with this incredible story. Apocalypse Delayed M. James Penton, 1997-01-01 M. James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses' inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world wide. This second edition features an afterword by the author and an expanded bibliography. Jehovah's Witnesses George D. Chrystides, 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses? What would attending a Kingdom Hall meeting involve? And if I invited door knocking Witnesses into my home? This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization. After outlining the Society's origins and history, the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member. The book then explores what is involved in being a Witness: congregational life, lifestyle, rites of passage, their understanding of the Bible and prophetic expectations. It examines the various processes and consequences of leaving the organization, controversies that have arisen in the course of its history, and popular criticisms. Discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions, the role of women, and new methods of meeting and evangelizing in response to the COVID-19 pandemic. Historical Dictionary of Jehovah's Witnesses George D. Chrystides, 2019-05-15 Originating from a small group of Bible students who met under Charles Taze Russell's leadership and grew into an international Society to which the second leader Joseph Franklin Rutherford gave the name Jehovah's Witnesses, Two World Wars shaped Watch Tower attitudes to civil government, armed conflict, and medical innovations such as blood transfusion as well as to mainstream churches. The twenty-first century has seen some important changes in the Watch Tower organization, and coverage is given to changes in organizational structure, its use of the World Wide Web, and its major relocation from Brooklyn to Warwick. This updated second edition of *Historical Dictionary of Jehovah's Witnesses* contains a chronology, an introduction, and an extensive bibliography. Dawson, 2011-12-20 The purpose of this treatise is 1 to draw attention to the presence of situations arising within medical practice in which religious beliefs play an important role 2 to emphasize the fact that most students and many doctors are given insufficient training in such matters which are of considerable import to a fair percentage of the public 3 to provide a few examples of what is meant by a religio medical situation and a bibliography for further exploration by the initiate in such matters The stimulus to think along these lines stemmed from the examples set me by my erstwhile chiefs Sir James Patterson Ross Professor Sir E F Scowen and Sir Stanley Davidson Further encouragement came while I was in Edinburgh from the Reverend Dr H C Whitley of St Giles and his brother counterparts Msgr Quill and the Reverend A Brysh White In Australia Bishop E H Burgmann of Canberra gave me
