They Were Real:

When We Were Real Daryl Gregory, 2025-04-01 From multiple award winning author Daryl Gregory comes a madcap adventure following two friends on a cross country bus tour through the mind boggling glitches in their simulated world as they grapple with love family secrets and the very nature of reality in a simulation JP and Dulin have been the best of friends for decades When JP finds out his cancer has aggressively returned Dulin decides it s the perfect time for one last adventure a week long bus tour of North America s Impossible the physics defying glitches and geographic miracles that started cropping up seven years earlier right after the Announcement that revealed our world to be merely a digital simulacrum The outing courtesy of Canterbury Trails Tours promises the trip of a not completely real lifetime in a not completely deluxe coach Their fellow passengers are 21st century pilgrims each of them on the tour for their own reasons There s a nun hunting for an absent God a pregnant influencer determined to make her child too famous to be deleted a crew of horny octogenarians living each day like it s their last and a professor on the run from leather clad sociopaths who take The Matrix as scripture Each stop on this trip is stranger than the last a Tunnel outside of time a zero gravity Geyser the compound of motivational speaking avatar with everyone barreling toward the tour s iconic final stop Ghost City where unbeknownst to our travelers the answer to who is running the simulation may await When We Were Real is a tour de force and exploration of what really matters even in an artificial world [The Possible South](#) R. Bruce Brasell, 2015-11-09 Using cultural theory

author R Bruce Brasell investigates issues surrounding the discursive presentation of the American South as biracial and explores its manifestation in documentary films including such works as Tell about the South broken ground and Family Name After considering the emergence of the region s biraciality through a consideration of the concepts of racial citizenry and racial performativity Brasell examines two problems associated with this framework First the framework assumes racial purity and second it assumes that two races exist In other words biraciality enacts two denials first the existence of miscegenation in the region and second the existence of other races and ethnicities Brasell considers bodily miscegenation discussing the racial closet and the southeastern expatriate road film Then he examines cultural miscegenation through the lens of racial poaching and 1970s southeastern documentaries that use redemptive ethnography In the subsequent chapters using specific documentary films he considers the racial in betweenness of Spanish speaking ethnicities Mosquitoes and High Water Living in America Nuestra Comunidad probes issues related to the process of racial negotiation experienced by Asian Americans as they seek a racial position beyond the black and white binary Mississippi Triangle and engages the problem of racial legitimacy confronted by federally non recognized Native groups as they attempt the same feat Real Indian

All Gods Battle Amazing George Hilton McCabe, 2013-05 *Amazing George* lives a life of bad and good religious choices His conscious life seems confused Yet he finds powerful forces guiding him to where he is most uncomfortable He knows he is flawed with failure possessed by dangerous ambitions and confused by memory shadows He wanders seemingly without purpose while moving with the relentless guidance of people and events You may see your own religious beliefs lived or distorted Innocently these sneak into George's living but they come as if by some design He finds a variety of people rejecting and accepting them carelessly His own life plans give way to horrific events as well as the most uplifting Somehow he keeps on his way without personal direction He's clumsy comical tragic and perhaps hope filled He is his own person without suspecting his own destiny until a burst of clarity renders him amazing A patient reader will get his or her amazing reward for loyalty

Once Upon a Time Peter Kivy, Aaron Meskin, 2019-08-07 *Once Upon a Time* is a collection of essays in the philosophy of literature with two central themes the significance of story telling for us and the question of whether the novel perhaps the art form most closely associated with story telling is a legitimate source of human knowledge Leading philosopher of art Peter Kivy explores why human beings are so enthralled by being told stories and whether story telling is a significant source of knowledge Starting with a study of Aristotle's *Poetics* Kivy then undertakes a critical discussion of Noel Carroll's suggestion that our interaction with the artists of the past is a kind of conversation He goes on to defend the thesis that one of the legitimate artistic pleasures we take in novel reading is the acquiring of knowledge and furthermore that the silent reading of a novel is a kind of performance making the novel one of the performing arts The volume concludes with a chapter about jokes and in particular whether it is immoral to tell or be amused by an immoral joke This volume of essays is a must read for anyone seriously interested in literature and the conceptual problems it may raise for philosophers
