Thoughts on the Gospel of Jesus Christ the Son of God; the Saviour of Man. By a Layman, of More Than Three-score Years and Ten [i.e. John Stow] ... Second Edition. [With the Text.], 1854 *Life in Christ* William Robert West, 2015-09-29
 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a

soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it

The Original Aramaic New Testament in Plain English Rev. David Bauscher,2009-12-06 This is a rare New Testament 3rd edition from the Aramaic language of Jesus and his countrymen of 1st century Israel in a prose English translation Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Eeshu Pronunciation of Jesus in ancient Aramaic as He originally spoke them in a literal yet idiomatic English rendering Much evidence is presented in notes demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text making this a unique scholarly study Bible in elegant Lucida Calligraphy font 539 pages 6x9 Black hardbound
