Resurrection, Apocalypse, and the Kingdom of Christ Stanley S. MacLean, 2012-04-19 In recent decades few Christian themes have attracted as much attention as that of eschatology or Christian hope Resurrection Apocalypse and the Kingdom of Christ explores the meaning of this theme for Thomas F Torrance one of the twentieth century's leading theologians This study the first of its kind brings Torrance's eschatology to light through an exploration of the whole range of his corpus including sermons lectures and correspondence It also demonstrates that his eschatology is molded by momentous historical events such as World War II the spread of communism and the ecumenical movement Out of all this we realize that eschatology is a central component of Torrance's theology so much so that it conditions his thinking on other Christian doctrines The Valley of Decision Edith Wharton, 2016-01-25 THE OLD ORDER Prima che incontro alla festosa fronte I lugubri suoi lampi il ver baleni 1 1 It was very still in the small neglected chapel The noises of the farm came faintly through closed doors voices shouting at the oxen in the lower fields the querulous bark of the old house dog and Filomena's angry calls to the little white faced foundling in the kitchen The February day was closing and a ray of sunshine slanting through a slit in the chapel wall brought out the vision of a pale haloed head floating against the dusky background of the chancel like a water lily on its leaf The face was that of the saint of Assisi a sunken ravaged countenance lit with an ecstasy of suffering that seemed not so much to reflect the anguish of the Christ at whose feet the saint knelt as the mute pain of all poor down trodden folk on earth When the small Odo Valsecca the only frequenter of the chapel had been taunted by the farmer's wife for being a beggar's brat or when his ears were tingling from the heavy hand of the farmer's son he found a melancholy kinship in that suffering face but since he had fighting blood in him too coming on the mother's side of the rude Piedmontese stock of the Marquesses di Donnaz there were other moods when he turned instead to the stout Saint George in gold armour just discernible through the grime and dust of the opposite wall The Works of ...
