The Lord's Prayer The Prayer Of Integral Liberation:

The Lord's Prayer, 1983*

The Lord's Prayer Boff, Leonardo, 2014-12-03

The Lord's Prayer Nicholas Ayo, 2002

This book is a definitive study of the exemplary prayer of the gospel. Nicholas Ayo's *The Lord's Prayer* presents a carefully detailed exposition of the Our Father as a text worthy of inspiring both mind and heart.

Prayer: A Guide for the Perplexed Ashley Cocksworth, 2018-07-12 Central to the Christian life is the practice of prayer. But what theologically speaking is going on when we pray? What does prayer have to do with religious belief and action? Does prayer make a difference? *Prayer: A Guide for the Perplexed* addresses these and other key questions regarding the Christian theology of prayer. Beginning with Evagrius of Ponticus's *On Prayer*, Ashley Cocksworth finds in this early document a profound expression of the integrity of the experience of prayer and theological thought. Seeking throughout to integrate systematic theology and the spirituality of prayer, individual chapters explore the meaning of some of the core doctrines of lived Christian faith: the Trinity, creation, providence, and the Christian life as they relate to the practice of prayer. Complete with an annotated bibliography of sources on prayer, to promote further reading, this volume appeals to academics and general readers alike.

Praying by Heart Stephen Cottrell, 2024-10-10 Archbishop of York Stephen Cottrell argues that the first two words of Christianity's most famous prayer, the Lord's Prayer, encapsulate the radical heart of the Christian faith: that we belong to each other and that we all have access to God. And if we could understand both these ideas, they would truly change our lives and the world. Unpacking each clause of this ancient prayer, both for those who want to encounter it afresh and those beyond church circles, this is the Lord's Prayer recast as a manifesto for the 21st-century church and all who are searching to belong.

Karl Barth on Prayer Ashley Cocksworth, 2015-08-27 Ashley Cocksworth presents Karl Barth as a theologian who not only produces a strong and vibrant theology of prayer but also grounds theology itself in the practice of prayer. Prayer and theology are revealed to be integrally related in Barth's understanding of the dogmatic task. Cocksworth provides careful analysis of a range of key texts in Barth's thought in which the theme of prayer emerges with particular interest. He analyzes Barth's writings on the Sabbath and uncovers an unexpected theology of contemplative prayer, the doctrine of creation of the Church, Dogmatics, and explores its prioritization of petitionary prayer and the ethics of the doctrine of reconciliation in which a turn to invocation is charted, and the final resting place of Barth's theology of prayer is found. Through the theme of prayer, fundamental questions are asked about the relation of human agency to divine agency as conceived by Barth, and new insights are offered into his understandings of the nature and task of theology, pneumatology, sin, baptism, religion, and sanctification. The result is a rich engagement with Barth's theology of prayer, an advancement of scholarship on Karl Barth, and a constructive contribution to the theology of prayer.

Putting on the Mind of Christ Woods, James E., 2021-02-17 *Putting on the Mind of Christ* examines the biblical, historical, scientific, and theological aspects of contemplative prayer and mysticism that has the effect of changing our outlook on the world and seeing God and neighbor as

A Theology for the Twenty-First Century Douglas F. Ottati, 2020-10-15 Christianity in the United States is in crisis Liberalism is declining evangelicalism is splintering increasing numbers of Christians are slipping away from churches and more and more young people are for various reasons finding Christianity as they conceive it a metaphysical thought system or society of science deniers or an ideology for oppressors not just implausible but repellent At the same time Christians across denominational and ideological divides are rediscovering a moral core especially in the Jesus of the Gospels that reactivates and unites them and this kind of faith appeals to many who consider themselves averse to all traditional organized religion But any revitalized Christian faith is going to need to understand its rootedness in and interpretation of Christianity's foundational texts and traditions Noted theologian Douglas F Ottati steps in to offer a theology for this new era Combining deep learning in texts and traditions with astute awareness of contemporary questions and patterns of thought and life he asks what does it mean in our time to understand the God of the Bible as Creator and Redeemer Distilling the content of Christian faith into seventy concise propositions he explains each in lucid cogent prose A *Theology for the Twenty First Century* will be an essential textbook for those training for ministry in our current climate a wise guide for contemporary believers who wonder how best to understand and communicate their faith and an inviting and intelligent resource for serious inquirers who wonder whether the way of Jesus might help them grasp the real world while remaining open to the transcendent

Praying with Jesus and Mary: Our Father Hail Mary Leonardo Boff, 2005 The

Kingdom of God John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach's reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

The Vicarious Humanity of Christ and the Reality of Salvation Christian D. Kettler, 2011-03-01 In this book the problem of the reality of salvation is addressed by T F Torrance's doctrine of the vicarious humanity of Christ Through this approach salvation as humanization is affirmed yet without the problems of anthropocentric theologies This book is unique in that it offers both a survey of contemporary Christian thinking on salvation as well as a constructive alternative based on Torrance's doctrine a significant yet neglected contribution to modern theology

Living Belief Douglas F. Ottati, 2022-06-07 A leading theologian's concise guide to the beliefs commitments and practices of Christianity What do Christians believe But also what do they do And feel With decades of experience teaching the essentials of Christian faith Douglas Ottati still finds these questions and more like them dynamic and compelling In *Living Belief* he moves beyond trite answers drawing from the deep well of tradition to offer up wisdom from the Apostles Creed the Ten Commandments the Sermon on the Mount and the Lord's Prayer In so doing Ottati explores key Christian themes such as creation redemption and love of neighbor enemy and the weak and dependent Concise and approachable *Living Belief* makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients that encourages and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope In connection with each chapter Ottati includes questions for discussion so that readers those revisiting the core components of their Christian faith and those learning about it for the first time can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity

Christianity in a Nutshell Leonardo Boff,2013 For over fifty years and in more than sixty books Leonardo Boff has explored the mysteries of the Christian message In this short work he sets out to describe the essence of Christianity in language that is accessible and meaningful within the contemporary worldview including the scientific understanding of evolution and the expanding cosmos His essential question How does Christianity fit into the process of the evolution of the universe which is at least 13.7 billion years old What does it intend to reveal What message does it bring to human beings For believers how does it reveal God and how is God revealed in it Boff starts with the intuition that all is Mystery and the bearer of Mystery an inexhaustible source of love that wishes to be known This Mystery is God known under a thousand names revealed in Christianity as a communion of Divine Persons He goes on to relate this Mystery to the story of Jesus and the history of Christianity which takes part in the common mission of other religious and spiritual paths to keep alive the sacred flame of the divine presence in each person in history and in the entire cosmic process

Majority World Theology Gene L. Green,Stephen T. Pardue,K. K. Yeo,2020-12-01 More Christians live in the Majority World than in Europe and North America Yet most theological literature does not reflect the rising tide of Christian reflection coming from these regions Bringing together theological resources from past and present East and West this work engages conversations with leading global scholars on theology faith and mission for the enrichment of the entire church
