MANKELL, 2013 **The Man from Beijing** Henning Mankell, 2010-02-16 From the dean of Scandinavian noir Henning Mankell the internationally bestselling and universally acclaimed Kurt Wallander series an incredible stand alone masterpiece a bone chilling mystery that spans two centuries and four continents In the far north of Sweden a small quiet village has been almost entirely wiped out by a mass murderer The only clue left at the scene is a red ribbon Among the victims are the grandparents of Judge Birgitta Roslin who sets out to find the killer Despite being brushed off by the police Birgitta is determined to prove that the murders were not a random act of violence but are part of something far more dark and complex Her investigation leads to the highest echelons of power and into the recesses of history where the seeds of evil deeds were planted The Troubled Man Henning Mankell, 2011-03-29 The tenth riveting installment in the mystery thriller series that inspired the Netflix crime drama Young Wallander As satisfying for its emotional depth as its suspense A gripping mystery PEOPLE Magazine A retired navy officer has vanished in a forest near Stockholm Kurt Wallander is prepared to stay out of the relatively straightforward investigation which is after all another detective s responsibility but the missing man is his daughter s father in law With his typical disregard for rules and regulations Wallander is soon pursuing his own brand of dogged detective work on someone else s case His methods are often questionable but the results are not he finds an extremely complex situation which may involve the secret police and ties back to Cold War espionage Adding to Wallander s concerns are more personal troubles

Having turned sixty and having long neglected his health he s become convinced that his memory is failing As he pursues this baffling case he must come to grips not only with the facts at hand but also with his own troubling situation **Swedish Marxist Noir** Per Hellgren,2018-12-28 Marxist theories have had a profound influence on crime fiction beginning with the works of the American writers of the 1930s This study explores the development of a Swedish Marxist noir subgenre after the 1990s through a Marxist reading of central works from the Marlowe novels of Raymond Chandler to the 1960s social crime fiction of Sjowall Wahloo to modern bestselling authors such as Henning Mankell Stieg Larsson Roslund Hellstrom Jens Lapidus Arne Dahl and others The works of these writers show a common thread of Marxist worldview in their portrayal of a modern world gone wrong *The Secret Life of Wallander* Stafford Hildred,2010-10-14 Almost 20 years since he first appeared in Henning Mankel s novel Faceless Killers the sad Swedish detective Kurt Wallander has become a worldwide success story Mankel s compelling books about the idealistic police inspector who is even more miserable than Morse have sold more than 30 million copies in 43 different languages and inspired more than 25 film adaptations In Europe readers took instantly to the troubled lonely cop with his horrendous health problems and catastrophic home life The nine Wallander novels became runaway bestsellers all over Europe but in Britain and the United States success was slower to take off But now since Kenneth Branagh has taken on the central role in the acclaimed and award winning BBC series British and American fans have really taken Wallander to their hearts The popularity of the character has turned the small Swedish town of Ystad into one of the country s top tourist attractions and many British and American visitors are joining the queue to visit murder scenes and immerse themselves in the bleak landscape made famous on screen Yet Wallander is much more than just another TV crime series Henning Mankel invented the caring policeman as a vehicle to write about the disturbing increase in violence and racism that was undermining the comfortable social democracy of Sweden Those problems are as international as Wallander s appeal *A Treacherous Paradise* Henning Mankell,2013-07-09 From the internationally acclaimed author of the Wallander crime series a dramatic new standalone novel set in turn of the century Sweden and Mozambique whose indomitable female protagonist is awoken from naivet by her exposure to racism and by her own unexpected inner strengths Cold and poverty define Hanna Renstr m s childhood in remote northern Sweden and in 1905 at 19 she boards a ship for Australia in hope of a better life But none of her hopes or fears prepares her for the life she will lead After 2 brief marriages she finds herself a widow twice over and the owner of a bordello in Portuguese East Africa a world where colonialism and white supremacy rule where she is isolated within society by her profession and her sex and among the bordello s black prostitutes by her colour As Hanna s story unfurls over the next several years we watch her in this treacherous paradise as she wrestles with a constant wrenching loneliness and with the racism she s meant to unthinkingly adopt And as her life becomes increasingly intertwined with the prostitutes she moves inexorably toward the moment when she will make a decision that defies every expectation society has of her and more importantly those she has of herself *After the Fire*

Henning Mankell, 2017-10-31 Henning Mankell's last novel about an aging man whose quiet solitary life on an isolated island off the coast of Sweden is turned upside down when his house catches fire. Fredrik Welin is a former surgeon who retired in disgrace decades earlier to a tiny island on which he is the only resident. He has a daughter he rarely sees and his mailman Jansson is the closest thing he has to a friend and to an adversary. He is perfectly content to live out his days in quiet solitude. One autumn evening he is startled awake by a blinding light only to discover that his house is on fire. With the help of Jansson he escapes the flames just in time wearing two left boots. Dawn reveals that everything he owns is now a smoldering pile of ash and his house is destroyed, forcing him to move into an abandoned trailer on his island. A local journalist Lisa Modin who wants to write a story about the fire comes into his life. In doing so she awakens in him something that he thought was long dead. Soon after his daughter comes to the island with surprising news of her own. Meanwhile the police suspect Fredrik of arson because he had a sizable insurance claim on his house. When Fredrik is away from the archipelago another house goes up in flames and the community realizes they have an arsonist in their midst. *After the Fire* is an intimate portrait of an elderly recluse who is forced to open himself up to a world he'd left behind. *Scandinavian Crime Fiction* Paula Arvas, Andrew Nestingen, 2011-01-15

This collection of articles studies the development of crime fiction in Denmark, Finland, Iceland, Norway, and Sweden since the 1960s, offering the first English language study of this widely read and influential form. Since the first Martin Beck novel of Maj Sjöwall and Per Wahloo appeared in 1965, the socially critical crime novel has figured prominently in Scandinavian culture and found hundreds of millions of readers outside Scandinavia. But is there truly a Scandinavian crime novel tradition? *Scandinavian Crime Fiction* identifies distinct features and changes in the Scandinavian crime tradition through analysis of some of its most well-known writers: Henning Mankell, Stieg Larsson, Anne Holt, Liza Marklund, Leena Lehtolainen, and Arnaldur Indriðason among others. Focusing on Scandinavian crime fiction's snowballing prominence since the 1990s, articles zoom in on the transformation of the genre's social criticism, study the significance of cultural and geographical place in the tradition, and analyze the cultural politics of crime fiction, including struggles over gender equity, sexuality, ethnicity, history, and the fate of the welfare state. *Scandinavian Crime Fiction* maps out the contribution of Scandinavian crime writers to contemporary European culture and society, making the volume valuable to scholars and the interested public. *Swedish Crime Fiction* Kerstin Bergman, 2014-05-26T00:00:00+02:00

Why have authors from the safe social welfare state of Sweden captivated the minds of crime fiction readers across the globe? Kerstin Bergman suggests that killer marketing and a widespread curiosity about the exotic Nordic welfare states, their waste landscapes, and alleged gender equality has propelled these authors and novels into the international spotlight. Bergman uses this innovative angle to retell the recent history of crime fiction in Sweden, exploring central themes and selecting key authors that have garnered national and international acclaim for their lethal plots. *Swedish Crime Fiction: The Making of Nordic Noir* contextualizes the explosive recent history of the genre, offering newcomers and aficionados insights into the

minds of protagonists and their literary creators This is the first research based and exhaustive presentation of Swedish crime fiction and its Nordic neighbours to an international audience *Sequels* Janet G. Husband,Jonathan F. Husband,2009
