The Manly Manly Thing English Edition:

The Didache Aaron Milavec, 2003 In this study Aaron Milavec comprehensively examines how the first century pastoral manual known as the Didache enumerated the step by step training of converts for the full active participation in the earliest Jewish Christian communities Milavec shows how the Didache can in turn illuminate our understanding of how these first Christian men and women organized their community life socially religiously and politically in order to safeguard its members from the challenges of the surrounding Roman pagan society of the first century Mediterranean basin He argues not only that the Didache's textual and contextual clues demonstrate the document's organic unity from beginning to end but also that it dates from a period before the gospels were written and had gained acceptance
