Islands, Islanders, and the Bible Jione Havea, Margaret Aymer, Steed Vernyl Davidson, 2015-08-30 Explore theories readings and interpretations from island perspectives In this collection the authors focus on contextual cultural and postcolonial criticisms This work seeks to move beyond simply reacting to rejecting or recasting biblical interpretations that misunderstand or mischaracterize island space Instead it serves as an entry point to thinking biblically through the island The contributors are Margaret Aymer Randall C Bailey Roland Boer Steed Vernyl Davidson Jione Havea Hisako Kinukawa Grant Macaskill Mosese Ma ilo J Richard Middleton Althea Spencer Miller Aliou C Niang Andrew Mein Daniel Smith Christopher Nasili Vaka uta and Elaine M Wainwright Features Sixteen essays by islanders rooted in Asia America the Caribbean Europe and Oceania Essays that invite a conversation on how being islanders and islandedness condition the way islanders read biblical texts Three sections of articles two of which engage the first *The Fluid Text* John Bryant, 2002 The first coherent theoretical critical and editorial approach to the study of literary revision *The Athenaeum*, 1853 **The Athenaeum**, 1851 **States of Obligation** Yanni Kotsonis, 2014-09-24 Beginning in the 1860s the Russian Empire replaced a poll tax system that originated with Peter the Great with a modern system of income and excise taxes Russia began a transformation of state fiscal power that was also underway across Western Europe and North America States of Obligation is the first sustained study of the Russian taxation system the first to study its European and transatlantic context and the first to expose the essential continuities between the fiscal practices of the Russian Empire and the Soviet Union Using a wealth of materials from provincial and local archives across Russia Yanni Kotsonis examines how taxation was simultaneously a revenue raising and a state building tool a claim on the person and a way to produce a new kind of citizenship During successive political wartime and revolutionary crises between 1855 and 1928 state fiscal power was used to forge social and financial unity and fairness and a direct relationship with individual Russians State power eventually overwhelmed both the private sector economy and the fragile realm of personal privacy States of Obligation is at once a study in Russian economic history and a reflection on the modern state and the modern citizen *Displacing the Divine* Douglas Alan Walrath, 2010-05-07 As religious leaders ministers are often assumed to embody the faith of the institution they represent As cultural symbols they reflect subtle changes in society and belief specifically people's perception of God and the evolving role of the church For more than forty years Douglas Alan Walrath has tracked changing patterns of belief and church participation in American society and his research has revealed a particularly fascinating trend portrayals of ministers in American fiction mirror changing perceptions of the Protestant church and a Protestant God From the novels of Harriet Beecher Stowe who portrays ministers as faithful Calvinists to the works of Herman Melville who challenges Calvinism to its very core Walrath considers a variety of fictional ministers including Garrison Keillor's Lake Wobegon Lutherans and Gail Godwin's women clergy He identifies a range of types religious misfits harsh Puritans incorrigible

scoundrels secular businessmen perpetrators of oppression victims of belief prudent believers phony preachers reactionaries and social activists He concludes with the modern legacy of nineteenth and early twentieth century images of ministers which highlights the ongoing challenges that skepticism secularization and science have brought to today's religious leaders and fictional counterparts Displacing the Divine offers a novel encounter with social change giving the reader access through the intimacy and humanity of literature to the evolving character of an American tradition The Dial Francis Fisher

Browne,1892 *The Blasket Islandman* Gerald Hayes,2018-05-04 Tom's Criomhthain 1856 1937 is one of the giants of Irish language literature His best known books *Allagar na hInise* and *An tOile nach* are acknowledged classics But he was a highly unlikely author He lived his entire life on the isolated and now abandoned Great Blasket in a house he built with his own hands using stones he found on the island Likewise he crafted a valuable literary heritage out of island life With indefatigable persistence he steadily built on his modest formal education learning to read and write in Irish during middle age while simultaneously expanding his knowledge of literature and history Scholarly visitors were impressed with Tom's observations of his tiny community They encouraged him to commit his stories and memories to paper He wrote three first person accounts of his experiences bequeathing to us a captivating saga of a folk culture doomed by difficult circumstances His works are among the first examples of Ireland's transition from oral to written folk storytelling *The Blasket Islandman* tells for the first time the full story of Tom's life with its many triumphs and travails This absorbing account also describes the forces that influenced his work and details his impressive legacy Tom's was determined that his community be remembered In the process he achieved a level of immortality for himself More than eighty years after his passing he remains the famed Blasket Islandman and to paraphrase the man himself the like of him will never be again *The Bibel of Every Land.
