

Vice President can capitalize on protest win

The political rally surfaced following the dismissal by the Supreme Court, sitting as the Presidential Electoral Tribunal, of Marcos election protest against Roxasco nearly five years after it was filed in 2010. In his protest, Marcos claimed he was cheated in the May 2010 election allegedly marred with fraud for vice president. But Roxasco, a lawyer and former congressman of Camarines Sur, denied it and stood her ground.

Issues in News and Reporting CQ Researcher, 2017-12-29 This collection of unbiased reports written by award winning CQ Researcher journalists explores a range of relevant issues in news and reporting from perceptions of media bias to threats to free speech *Workbook for News Reporting and Writing* Brian S. Brooks, Missouri Group, George Kennedy, Daryl R. Moen, Don Ranly, 2010-11-10 It's a tumultuous time in journalism as media forms evolve and new models emerge There are few clear answers but no one is more prepared than The Missouri Group to tackle these issues head on and to teach students the core enduring journalism skills they need to succeed whether they write for the local paper a professional blog cable news or even work in public relations **The Last Report** Mesalie Feleke, 2024-08-16 Gwen a renowned news reporter in Sydney dedicates her life to exposing the devastating global climate crisis hoping her work will drive change Amidst the chaos Gwen shares an unbreakable bond with her boyfriend Tom When Tom is offered a job in London they face the challenge of a long distance relationship As their lives diverge the world plunges further into crisis with a new virus emerging as a consequence of climate change Gwen falls victim to the illness and her passing leaves Tom shattered Tom eventually rebuilds his life finding love and starting a family Yet the world continues to grapple with the consequences of the climate crisis Gwen's legacy lives on inspiring those who knew her and readers of her work She is remembered as a tireless warrior who fought for a better healthier world **News and Politics** Stephen Cushion, 2015-03-24 News and Politics critically examines television news bulletins still the primary source of information for most people and asks whether the wider pace and immediacy of 24 hour news culture has influenced their format and style over time Drawing on the concepts of mediatization and journalistic interventionism Stephen Cushion empirically traces the shift from edited to live reporting from a cross national perspective focussing on the two way convention in political coverage and the more interpretive approach to journalism it promotes Challenging prevailing academic wisdom Cushion argues that the mediatization of news does not necessarily reflect a commercial logic or a lowering of journalism standards In particular the rise of live two ways can potentially enhance viewers understanding of public affairs moving reporters beyond their visual backdrops and reliance on political soundbites by asking journalists to scrutinize the actions of political elites interpret competing source claims and to explain the broader context to everyday stories Considering the future of 24 hour news a final discussion asks whether new content and social media platforms including Twitter and BuzzFeed enhance or weaken democratic culture This timely analysis of News and Politics is ideal for students of political communication and journalism studies as well as communication studies media studies and political science [An Inventory of Market News Reports for Poultry](#) Frederic Lewis Faber, Dennis E. Stringer, 1968 *News As Discourse* Teun A. van Dijk, 2013-10-28 First Published in 1990 This book presents a new interdisciplinary theory of news in the press Against the background of developments in discourse analysis it is argued that news should be studied primarily as a form of public discourse Whereas in much mass communication

research the economic social or cultural dimensions of news and news media are addressed the present study emphasizes the importance of an explicit structural analysis of news reports Such an analysis should provide a qualitative alternative to traditional methods of content analysis Also attention is paid to processes of news production by journalists and news comprehension by readers in terms of the social cognitions of news participants In this way news structures can also be explicitly linked to social practices and ideologies of news making and indirectly to the institutional and macro sociological contexts of the news media

Understanding Competition and Diversity in Television Programming: Economic crisis & TV Andreas Masouras,2015-09-18 This research examines and analyses the diversity of television content More specifically it provides an in depth study of the development of television content We attempt to study content through the concept of diversity which is considered as being a methodological tool that records and describes trends in television programming Through the methodological use of diversity the rationale behind the programming structure is presented and therefore the structures that create and constitute the content can be shown A detailed discussion is developed as well as a new approach to television diversity in light of the methodological examination
