All Things Must Pass Marc Shapiro,2011-06-08 George Harrison was always known as the quiet Beatle As part of the biggest band in pop history he took a back seat to Paul McCartney and John Lennon but his talent shone through in the composition of classic songs such as Something and Here Comes The Sun In his solo career he occasionally threatened to eclipse both John and Paul on the world stage and he joined forces with Bob Dylan Tom Petty Roy Orbison and Jeff Lynne to create the massively successful supergroup the Traveling Wilburys However the success of his professional life was often met by turmoil in his private life and the loss of first wife Patti to best friend Eric Clapton the traumatic attempt on his life by a knife wielding intruder and his final struggle against cancer meant that George Harrison s life was nothing if not dramatic Bestselling author Marc Shapiro has exclusively interviewed friends and former colleagues of the enigmatic guitar legend This revealing biography reaffirms Harrison s importance as an innovative and hugely talented musician and shows that as a member of the most important band ever as well as in his multi faceted career after the Beatles George Harrison was no ordinary man **Abbey Road** Alistair Lawrence,2012-10-16 Documents the history of the recording studio where many
