The Kite Runner: Khaled Hosseini (English Edition)

Editorial, Editorial, Atlantic, Khaled Hosseini, 2015-06-10 *The Kite Runner* is the story of Amir, a Sunni Muslim who struggles to find his place in the world because of the aftereffects and fallout from a series of traumatic childhood events. An adult Amir opens the novel in the present-day United States with a vague reference to one of these events, and then the novel flashes back to Amir's childhood in Afghanistan. In addition to typical childhood experiences, Amir struggles with forging a closer relationship with his father, Baba, with determining the exact nature of his relationship with Hassan, his Shi'a Muslim servant, and eventually with finding a way to atone for pre-adolescent decisions that have lasting repercussions. Along the way, readers are able to experience growing up in Afghanistan in a single-parent home, a situation that bears remarkable similarities to many contemporary households. One of the biggest struggles for Amir is learning to navigate the complex socioeconomic culture he faces growing up in Afghanistan as a member of the privileged class yet not feeling like a privileged member of his own family. Hassan and his father, Ali, are servants, yet at times Amir's relationship with them is more like that of family members. And Amir's father, Baba, who does not consistently adhere to the tenets of his culture, confuses rather than clarifies things for young Amir. Many of the ruling-class elite in Afghanistan view the world as black and white, yet Amir identifies many shades of gray. In addition to the issues affecting his personal life, Amir must also contend with the instability of the Afghan political system in the 1970s. During a crucial episode which takes place during an important kite flying tournament, Amir decides not to act; he decides not to confront bullies and aggressors when he has the chance, and this

conscious choice of inaction sets off a chain reaction that leads to guilt lies and betrayals Eventually because of the changing political climate Amir and his father are forced to flee Afghanistan Amir views coming to America as an opportunity to leave his past behind Although Amir and Baba toil to create a new life for themselves in the United States the past is unable to stay buried When it rears its ugly head Amir is forced to return to his homeland to face the demons and decisions of his youth with only a slim hope to make amends Ultimately The Kite Runner is a novel about relationships specifically the relationships between Amir and Hassan Baba Rahim Khan Soraya and Sohrab and how the complex relationships in our lives overlap and connect to make us the people we are *The Kite Runner Graphic Novel* Khaled Hosseini,2011 Traces the unlikely friendship of a wealthy Afghan youth and a servant's son in a tale that spans the final days of Afghanistan's monarchy through the atrocities of the present day in graphic novel format [Summary and Analysis of The Kite Runner](#) Worth Books,2016-11-15 So much to read so little time This brief overview of The Kite Runner tells you what you need to know before or after you read Khaled Hosseini's book Crafted and edited with care Worth Books set the standard for quality and give you the tools you need to be a well informed reader This short summary and analysis of The Kite Runner by Khaled Hosseini includes Historical context Chapter by chapter summaries Analysis of the main characters Themes and symbols Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About The Kite Runner by Khaled Hosseini Khaled Hosseini's New York Times bestselling novel is an epic and powerful story of love unconditional support and forgiveness Chronicling the friendship of a boy raised with privilege and another living a life of servitude the spellbinding tale spans thirty years of Afghanistan's troubled history from the Soviet invasion to the days of Taliban control With characters who demonstrate incredible loyalty cruelty and redemption The Kite Runner is an astonishing testament to the strength and resilience of the human spirit The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of fiction *The Kite Runner* Khaled Hosseini,2013-05-21 Afghanistan 1975 Twelve year old Amir is desperate to win the local kite fighting tournament and his loyal friend Hassan promises to help him But neither of the boys can foresee what will happen to Hassan that afternoon an event that is to shatter their lives After the Russians invade and the family is forced to flee to America Amir realises that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him redemption
