

The Last Cheyenne

Gary A. Yoggy

The Last Cheyenne:

The Northern Cheyenne Exodus in History and Memory James N. Leiker, Ramon Powers, 2012-11-09 The exodus of the Northern Cheyennes in 1878 and 1879 an attempt to flee from Indian Territory to their Montana homeland is an important event in American Indian history It is equally important in the history of towns like Oberlin Kansas where Cheyenne warriors killed more than forty settlers The Cheyennes in turn suffered losses through violent encounters with the U S Army More than a century later the story remains familiar because it has been told by historians and novelists and on film In *The Northern Cheyenne Exodus in History and Memory* James N Leiker and Ramon Powers explore how the event has been remembered told and retold They examine the recollections of Indians and settlers and their descendants and they consider local history mass media treatments and literature to draw thought provoking conclusions about how this story has changed over time The Cheyennes journey has always been recounted in melodramatic stereotypes and for the last fifty years most versions have featured noble savages trying to reclaim their birthright Here Leiker and Powers deconstruct those stereotypes and transcend them pointing out that history is never so simple The Cheyennes flight they write had left white and Indian bones alike scattered along its route from Oklahoma to Montana In this view the descendants of the Cheyennes and the settlers they encountered are all westerners who need history as a way of explaining the bones and arrowheads that littered the plains Leiker and Powers depict a rural West whose diverse peoples Euro American and Native American alike seek to preserve their heritage through memory and history Anyone who lives in the contemporary Great Plains or who wants to understand the West as a whole will find this book compelling

The Last Frontier Howard Fast, 1997-01-15 The story of the Cheyenne Indians in the 1870s and their bitter struggle to flee from the Indian Territory in Oklahoma back to their home in Wyoming and Montana

A Dangerous Garden Brent Maxwell, 2001 Daniel Mathews was strong industrious and honest He was a nice guy He was also a drug dealer He cultivated marijuana for a living During the course of one fateful year in the mid 1980s Daniel would have the metal of his character tested to its limits His illegal lifestyle was rife with treacherous pitfalls Was it possible for him to retain his integrity and continue his dangerous business The tranquil and beautiful valleys of British Columbia are the setting for this story of intrigue and betrayal where Daniel Matthews resides He farms and ranches there his main crop consisting of the illegal plant marijuana He has several partners other local residents This novel takes place over the course of one year in four parts from summer to spring wherein Daniel questions his dangerous lifestyle the growing and selling of marijuana His son is sixteen and at the age when he is exposed to marijuana and other drugs a fact which greatly concerns Daniel Daniel and his friends Tommy and Brian cultivate large plots of the crop and spend most of their time tending to them and worrying about them Numerous other neighbours in the rural area also grow the illegal herb An unexpected visitor Cheyenne arrives at Daniel s farm He is an old friend whom they suspect has become a narcotics agent This complicates an already dangerous situation Through the harrowing and dangerous summer and autumn months of

growing and harvesting Daniel grows increasingly unhappy with his lifestyle He begins to question what he does who his friends are and what he really wants in his life The climax sees Daniel discovering evidence of betrayal and perhaps even murder His life altering decision can no longer be postponed **Miles from Nowhere** Dayton Duncan,2000-09-01 In this splendid book a gifted observer and a terrific idea have come together in a real love match In 1990 a century after the census bureau s famous observation of the frontier s imminent end Dayton Duncan set out in an aging GMC Suburban to visit a large sampling of counties outside Alaska that have fewer than two persons per square mile the bureau s old standard for places still in a frontier condition There are 132 such counties All are in the West The result of his tour is an insightful and entertaining book troubling and funny and consistently illuminating Much of the book s charm comes from Duncan s sketches of people who choose to live miles from nowhere ranchers in the Nebraska sandhills a New Mexican bar owner a priest and United Parcel Service driver along the Texas Mexico border and the descendant of a Seminole Negro army scout in west Texas In them he finds characteristics associated with the mythic frontier Great fun to read Montana Born and raised in a small town in Iowa Dayton Duncan has been a reporter humor columnist editorial writer chief of staff to a governor and deputy press secretary for presidential campaigns He lives in Walpole New Hampshire His books include *Out West An American Journey* also available in a Bison Books edition *Cheyenne's Lady: A Small-Town, marriage-of-convenience western romance* Mindy Neff,2018-09-18 Wanted Women and Babies Where Shotgun Ridge Montana When As soon as possible The Sheriff Surrenders He guarded his town with an eagle eye but even Sheriff Cheyenne Bodine couldn t save himself from the outrageous Shotgun Ridge matchmakers Seems they d rented his house to lovely surrogate mom to be Emily Vincent And while the big city beauty would tempt a saint to live in sin Cheyenne s lawman s oath permitted no such indiscretions Sending Emily home would protect and serve them both Though the proud country lawman stole her breath Emily knew her stay was temporary Except when she told Cheyenne that the babies she carried were his orphaned kin she found herself under house arrest The bail Bonds of matrimony These are imperfect and loving characterizations that remain with the readers long after the last page is turned Indeed a character driven romance that explores the joy and pain of birth and death CHEYENNE S LADY belongs on the keeper shelf Very highly recommended Cindy Penn Word Wrap review editor Winner of the WordWeaving Award for Excellence With a great sense of warm emotions Mindy Neff has penned a keeper in CHEYENNE S LADY Romantic Times Magazine 4 stars Bachelors of Shotgun Ridge Book 4 Single sexy and soon to be wed From an award winning USA Today and Wall Street Journal bestselling author of over 30 romance novels comes a series all about cowboys community spirit and feel good emotions What do readers get with a Mindy Neff book Small town romance filled with laughter and emotion tough guy heroes who are gentle and kind and secondary characters both human and animal who help keep everyone stirred up Books that touch your heart *The Peace Chiefs of the Cheyennes* Stan Hoig,1990-07-31 A Plains tribe that subsisted on the buffalo the Cheyennes depended for survival on the valor and skill of their braves in the

hunt and in battle The fiery spirit of the young warriors was balanced by the calm wisdom of the tribal headmen the peace chiefs who met yearly as the Council of the Forty four A Cheyenne chief was required to be a man of peace to be brave and to be of generous heart writes Stan Hoig Of these qualities the first was unconditionally the most important for upon it rested the moral restraint required for the warlike Cheyenne Nation As the Cheyennes began to feel the westward crush of white civilization in the nineteenth century a great burden fell to the peace chiefs Reconciliation with the whites was the tribe s only hope for survival and the chiefs were the buffers between their own warriors and the United States military who were out to win the West The chiefs found themselves struggling to maintain the integrity of their people struggling against overwhelming military forces against disease against the debauchery brought by firewater and against the irreversible decline of their source of livelihood the buffalo They were trapped by history in a nearly impossible position Their story is a heroic epic and oftentimes a tragedy No single book has dealt as intensively as this one with the institution of the peace chiefs The author has gleaned significant material from all available published sources and from contemporary newspapers A generous selection of photographs and extensive quotations from nineteenth century observers add to the authenticity of the text Following a brief analysis of the Sweet Medicine legend and its relation to the Council of the Forty four the more prominent nineteenth century chiefs are treated individually in a lucid felicitous style that will appeal to both students and lay readers of Indian history As adopted Cheyenne chief Boyce D Timmons says in his preface to this volume Great wisdom intellect and love are expressed by the remarkable Cheyenne chiefs and if you enter their tipi with an open heart and mind you might have some understanding of the great Circle of Life *The Object of My Affection* Bonnie J. Powers,2025-04-28

Go on a journey several actually with Nanette Crawford as her life leads her on a path that she did not plan See places and meet people in her life that only by God s direction would have been placed there The trajectory of her life changes as she yields to a new direction new responsibilities and new and lasting objects of her own affection [Riding the Video Range](#) Gary A. [The West](#) Geoffrey C. Ward,2008-12-21 This vivid narrative history magnificently illustrated with more than 400 photographs many of them never before published takes us on a gripping journey through the turbulent history of the region that has come to symbolize America around the world Drawing on hundreds of letters diaries memoirs and journals as well as the latest scholarship The West presents a cast as rich and diverse as the western landscape itself explorers and soldiers and Indian warriors settlers and railroad builders and gaudy showmen The book is filled with stories of heroism and hope enterprise and adventure as well as tragedy and disappointment It explores the tensions between whites and the native peoples they sought to displace but it also encompasses the Hispanic experience in the West Gracefully written handsomely designed meticulously researched The West is an unrivaled work of history that brilliantly captures all the drama and excitement the sober realities and bright myths of the American West Book jacket [Sitting Bull's War](#) Paul L. Hedren,2025-11-04 The dramatic story of America s greatest Indian war told from perspective of the Lakotas and the Northern Cheyennes as they fight for their way of life on the buffalo prairie In this deeply affecting account of America s greatest Indian war readers are quickly immersed in the world of Lakotas and Northern Cheyennes and their struggle in the 1870s to retain their lives on the buffalo prairie Those impassioned Northern Indians faced a succession of white invaders railroaders borderland surveyors prospectors and ultimately the United States Army In the best of days they turned back George Crook at the Rosebud and wiped out George Armstrong Custer at the Little Big Horn But a dozen other clashes followed and in the end these tradition minded people could not endure the army s endless hounding Some fled to Canada to a luring if momentary exile but in the end one and all faced starvation submission and for some death Rallying the defense of this lifeway of old was Sitting Bull legendary Hunkpapa Lakota spiritualist He was supported throughout by Crazy Horse Spotted Eagle Big Road Little Wolf and a host of other kindred traditional chiefs and headmen who in turn rallied thousands of like minded men women and children And yet but for momentary glory against Crook and Custer this was a war that could not be won Award winning author Paul L Hedren was ten years in crafting this great American epic Utilizing an array of Lakota and Cheyenne accounts pictographic renderings and original interviews this is the story of a people intent only on

adhering to a traditional life on the buffalo prairie The narrative is broad and inclusive and a welcome addition to the canon of American Indian wars history

The Last Cheyenne Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**The Last Cheyenne**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
