Holley, 1994-04-01 Labor Relations for the Fire Service Paul J. Antonellis, 2012 Well organized and comprehensive this book covers the history of labor relations and the fire service discuss the components of fire service collective bargaining agreements and examine contract administration and disciplinary action It provides an overview of human resource management explores how firefighter s personal relationship issues can play a role in personnel management and assesses future labor relations from the perspective of the national labor union fire service individual union member and aspiring fire service administrator or union officer **Proceedings of IAC 2018 in Vienna** Group of Authors, 2018-07-02 International Academic Conferences Teaching Learning and E learning IAC TLEI 2018 and Management Economics and Marketing IAC MEM 2018 and Engineering Transport IT and Artificial Intelligence IAC ETITAI 2018 **Labor Relations Reference Manual** , 2003 Vols 9 17 include decisions of the War Labor Board **Labor Relations in a Globalizing World** Harry C. Katz, Thomas A. Kochan, Alexander J. S. Colvin, 2015-06-04 Compelled by the extent to which globalization has changed the nature of labor relations Harry C Katz Thomas A Kochan and Alexander J S Colvin give us the first textbook to focus on the workplace outcomes of the production of goods and services in emerging countries In Labor Relations in a Globalizing World they draw lessons from the United States and other advanced industrial countries to provide a menu of options for management labor and government leaders in emerging countries They include discussions based in countries such as China Brazil India and South Africa which given the advanced levels of economic development they have already achieved are often described as transitional because the labor relations practices and procedures used in those countries are still in a state of flux Katz Kochan and Colvin analyze how labor relations functions in emerging countries in a manner that is useful to practitioners policymakers and academics They take account of the fact that labor relations are much more politicized in emerging countries than in advanced industrialized countries They also address

the traditional role played by state dominated unions in emerging countries and the recent increased importance of independent unions that have emerged as alternatives These independent unions tend to promote firm or workplace level collective bargaining in contrast to the more traditional top down systems Katz Kochan and Colvin explain how multinational corporations nongovernmental organizations and other groups that act across national borders increasingly influence work and employment outcomes *Handbook of Research on Technoethics* Luppigini, Rocci,Adell, Rebecca,2008-08-31 This book traces the emergence of the new interdisciplinary field of technoethics by exploring its conceptual development important issues and key areas of current research Compiling 50 authoritative articles from leading researchers on the ethical dimensions of new technologies Provided by publisher The Labor Relations Process William H.
