Wyoming's open range tending to a herd of domestic sheep as they give birth amid the challenges of nature from severe weather to a wealth of predators. Her only companions are the livestock guardian animals BIG dogs and a pair of burros named Bill and Hillary that repeatedly prove their worth in devotion to protecting the herd. Urbigkit offers interesting reflections on the role of pastoralists around the globe and on the controversial issue in the Western US of private livestock herds being run on public lands. The intimate ways in which abstract public policy plays out on the open range is eye opening. More than a tale of herding sheep, *Shepherds of Coyote Rocks* is an action-packed true story that reveals the broad spectrum of the human relationship with nature from harmony to rugged adventure.

The Enchanted Quest of Dana and Ginger Lamb Julie Huffman-Klinkowitz, Jerome Klinkowitz, 2006. *The Enchanted Quest of Dana and Ginger Lamb* argues that the Lambs were geniuses of popular entertainment and the precursors to Animal Planet, the Travel Channel, and numerous documentary-format television shows. Drawing on historical records, the Lambs' books and letters, and recently declassified espionage documents, biographers Julie Huffman-Klinkowitz and Jerome Klinkowitz show how the Lambs succeeded in marketing their conquests and films to armchair explorers around the world and how they became in popular imagination the quintessential American adventurers. Jacket. *Out Behind the Barn* Jerry Bailey, 2007-07. This book is the humorous reminiscences of an Indiana Farmer from Monroe County. The Bailey farm on That Road in Bloomington, IN, was purchased by Roy Bailey, Jerry's father, in 1944. Jerry Bailey Roy and Viola's 9th child was born January 15th, 1939, in northern Monroe County, IN. You will follow Jerry as he goes from child to adult, married young man, father, grandfather, and then great grandfather. Jerry spent the majority of his life influenced and molded by trying to make a living through farming the land. Life was simpler during his formative years three generations ago when almost all roads outside of Bloomington center were gravel and twisted their way through and around quarry holes and creeks that flowed through the bottoms when dairy farms were the norm when most of the children going to school came from these farms. For Jerry, even as a young child, funny jokes and laughs were his way of interacting with the world around him. Life is never dull when one is drawn into Jerry's sphere of influence. Please sit down, relax, and enjoy these Jerry's farming antidotes placed in central Indiana and spanning six decades.
