To Lead Follow:

Lead to Follow Mary Griffin, 2023-07-08 Most leaders do not want to move behind or come after But seeing the effects that following has on effective leadership it puts you in the willingness to want to follow Sometimes leaders do not start out on a leadership journey expecting to follow behind There is that assumption to always be up front But God is saying in this book When you fall behind and see things from behind you will see the effects of your leadership Waiting first on God will help you not make hasty destructive decisions Hearing the conclusion of the matter and getting a full understanding can help you avoid many errors in your leadership role This is not to say you will not make mistakes stumble and learn many things But when you follow God and obey his instructions if you err you soon correct the problem and move on with the tenacity to keep going Your strength and hope do not come from you but from God and there is no failure in God When a leader ceases to follow it opens an area in their leadership role that blocks their view of seeing their errors which need to be corrected One of the definitions of follow is to come after in time and order This will allow you to move in the right timing Our timing is not God's timing therefore we should follow his timing Let him go first and we follow The picture on the cover of this book says Lead to Follow Leaders need to follow the shepherd Christ our Lord others will follow us to an expected end not destruction Paul pins it best in 1 Corinthians 11:1 Be ye followers of me even as I also am of Christ May God keep and bless you

A Time to Lead and a Time to Follow Scott Espinda, 2021-09-21 A Time to Lead and A Time to Follow By Scott Espinda I arrived in Virginia Beach Virginia from Oahu Hawaii My dad just passed away and I wish I could say the haunted memories of finding him that morning and carrying him on the stretcher to watch the van drive away was what set me on my mission In reality I spent my life with him building our family company and when he disappeared so did the company so did my life I believe no one ever starts over we just get knocked down I got knocked down big time My resume was shot I had no personal references because the leadership

path is a long and lonely road And on paper it looked one of two ways One I was a greedy crook or two a deadbeat This bothered me I set sail like a modern pioneer to rekindle a spark in our generation to be the person I most wish I had a leader I lived in my camping tent for a good year or so and I walked into a job where I knew I would do a lot of good A gas station At this gas station I was able to see my life s training come into play and took the opportunity to share experiences methods stories and conversations to inspire people to use A Time to Lead and a Time to Follow as a tool a tool to help you and your team become a valuable asset at your job and in your community Follow to Lead Don Mercer, Carlos Fontana, 2011-06 Great leaders are precious great followers priceless Follow to Lead is a humorous and unforgettable approach to creating the right organizational culture for success How To instructions will guide the novice and professional to use the book in creating the optimal working environment in small to multi national organizations Follow to Lead is for busy people who don t want to read hundreds of pages of research and anecdotes to get to the nuggets that they can apply It cuts to the chase on surviving and thriving in all types of organizations It is more than just a book of ideas it is a tool you can use today whether you are a leader or follower or both No training required Follow to Lead focuses on creating great followers so that greater leaders will emerge **FOLLOW to LEAD: Great Leaders Need Great Followers** Emmanuel BASSEY, 2025-05-26 In Follow to Lead Emmanuel Bassey redefines the path to leadership by spotlighting the often overlooked role of the follower With clarity wisdom and spiritual depth he reveals how great followers shape great leaders and how followership when done with integrity vision and courage becomes the foundation for lasting influence Blending real life insight with timeless truths this book explores the values of true followers how to navigate toxic leadership and why those who follow well are best positioned to lead with strength and purpose Whether you re in a boardroom a ministry or a moment of transition Follow to Lead will inspire you to embrace the transformative journey from follower to leader Because the best leaders were once faithful followers **People Follow People** Sam Cawthorn, 2021-02-01 If you want to be a leader it needs to come from the heart At a moment when many of us have lost confidence in brands companies influencers and leaders it s time to ask why as well as what sort of leaders we should aspire to be ourselves to bring that confidence back Step forward Sam Cawthorn an influencer at the top of his game and the founder of Speakers Institute an international organisation that helps leaders and influencers create powerful trusted and distinctive voices Sam knows exactly what it took him to get where he is today and the secret sauce wasn t flashy charisma expensive clothes and a perfect smile As he argues in People Follow People what really wins respect and can tie hearts and minds to you for a lifetime comes from inside our values character loyalty and integrity These days no one is that impressed by how many likes or followers someone has Instead they want to know what leaders find truly meaningful and whether they can be trusted to stand by it Chapter by chapter Sam shows current and aspiring leaders how to respond to this priority shift why it s so crucial to build trust why you need a vision before you can create your business plan why significance is often longer lasting than success and much more With practical examples and

insight such as overcoming the daily pain from his own disability he demonstrates that where you need to start is with yourself if you re not working hard on you and understanding what you value deep down you ll never win the loyalty and respect it takes to have others follow your path Win the hearts and minds of consumers clients and employees Become a trusted influencer who people relate to and truly respect Implement your clarified values and mission with significance integrity and success Reexamine your own values and priorities in order to become a leader with longevity This inspirational book is invaluable for leaders at any level and for anyone who wants to win the respect and attention of our colleagues and customers and to lead more meaningful lives ourselves in the process **Cross-Step Waltz** Richard Powers,Nick
