

Workday - User Guide to Performance Management (CAP)

The following step-by-step guide is designed to walk employees and managers through the Performance Management process (CAP) in Workday. Part 1 refers to the Goal-setting process. Users needing assistance at any point in the process should contact their Human Resources Business Partner.

The image displays two screenshots of the Workday Performance Management (CAP) interface. The top screenshot shows the 'My Goals' dashboard for a user named Michael Kim. A callout box indicates that HRSS pushes out Step 1 to managers, and it appears in the inbox. The bottom screenshot shows the 'Get Content - Input Goals' screen, where a callout box instructs users to enter the form by selecting 'Go to Guided Editor'.
