Rambling Around in the Carolinas Jim McAllister, 1982 A sampling of people events and places in South Carolina including such places as Pumpkintown Possum Kingdom and Sugar Tit **The Aircraft Flash** , 1956 **Dancing Upon the Shore** Scott Gallagher, 2010-08-29 Dancing Upon the Shore is an unflinchingly intimate and painfully beautiful chronicle of the mystery of love While spending a gorgeous summer day on the beach in Southern California Sean an introspective charming yet lonely thirty year old writer meets by happenstance Geneva a mercurial Bostonian woman of startling beauty and unpracticed sensuality From this random encounter an impassioned love affair ensues Narrated through Sean s eyes the reader becomes immersed in the beguiling and unsettling byways of their turbulent relationship from infatuation to romance to love to marriage to the birth of their son to harrowing jealousy anger recrimination and finally to Geneva s mental breakdown a Scrack up which leads to a bitter divorce Woven throughout the course of this expansive novel is the tenderness contempt passion and pathos that circumscribe the affairs of the human heart Written in nimble and lyrical prose and with an unyielding and oftentimes humorous frankness Dancing Upon the Shore is a deeply moving portrait of a tragic romance **A Man's World** Steve Oney, 2019-05-15 A Man s World is a collection of twenty profiles of fascinating men by author and magazine writer Steve Oney Oney realized early in his career that he was interested in how men face challenges and cope with success and failure seeing in their struggles something of his own Written over a forty year period for publications including Esquire Premiere GQ TIME Los Angeles and the Atlanta Journal Constitution Magazine the stories many prizewinning bring to life the famous Harrison Ford the brilliant Robert Penn Warren the tortured Gregg Allman and the unknown Chris Leon a twenty year old Marine Corps corporal killed in the Iraq war **The Archaeological Imagination** Michael Shanks, 2016-06-03 Archaeology is a way of acting and thinking about what is left of the past about the temporality of what remains about material and temporal processes to which people and their goods are subject about the processes of order and entropy of making consuming and discarding at the heart of human experience These elements and the practices that archaeologists follow to uncover them is the essence of the archaeological imagination In this extended essay renowned archaeological theorist Michael Shanks offers his colleagues and students a window on this imaginative world of past and present and the creative role archaeology can play in uncovering it analyzing it and interpreting it **Violent Extremists** Thomas R. Mockaitis, 2019-06-05 Written for general readers and professionals alike this succinct but comprehensive work examines the hybrid nature of the two violent extremist movements threatening the United States Islamist extremism and white nationalism Scholarship as well as popular discourse on terrorism often focuses disproportionately on specific groups without paying sufficient attention to the ideology that motivates them This book emphasizes understanding and countering the ideology that fuels extremism over preoccupation with specific organizations such as Al Qaeda or ISIS It sets contemporary terrorist threats in perspective avoiding fearmongering and political rhetoric The book examines the nature of

violent extremism today in all its forms including lone wolves and cyber threats Focusing on both international and domestic terrorism it analyzes each threat in depth as a multidimensional hybrid phenomenon as an ideology as distinct groups espousing that ideology and as a network of followers Written in an accessible style by an author who has studied terrorism for more than 30 years and provided extensive media coverage on the subject this book makes a valuable contribution to the literature on violent extremism Beyond the Bypass... to every state in America , **Santé** ,2007 **The Casino, Card and Betting Game Reader** Mark R. Johnson,2021-12-30 Casino games and traditional card games have rich and idiosyncratic histories complex subcultures and player practices and facilitate the flow of billions of dollars each year through casinos and card rooms and between professional players and amateurs They have nevertheless been overlooked by game scholars due to the negative ethical weight of gambling with such games pathologized and labelled as deviance or mental illness few look beyond to unpick the games their players and their communities The Casino Card and Betting Game Reader offers 25 chapters studying the communities playing these games the distinctive cultures and practices that have emerged around them their activities and beliefs and interpersonal relationships and how these games influence both positively and negatively the lives and careers of millions of game players around the world It is the first of a new series of edited collections Play Beyond the Computer dedicated to exploring the play of games beyond computers and games consoles
