The Potluck Club (The Potluck Club Book #1) Linda Evans Shepherd, Eva Marie Everson, 2005-08-01 In the small Colorado town of Summit View, a surprising multi-generational mix of women from Grace Church meet once a week to pass a hot dish and to pray. But the Potluck Club, as they call themselves, is a recipe for disaster when they send up enough misinformed prayers to bring down a church. And the funny thing, the more

they pray the more troubles seem to come their way It isn't until they invite God to the table that they discover friendship is the spice of life and a little dash of grace just like salt goes a long way With charming down home characters humor poignancy and a recipe in every chapter The Potluck Club will keep readers hungering for more **The Ultimate**
