As teachers strive to help all students reach their full potential, the needs of English language learners (ELLs) can seem overwhelming. The CHATS framework provides teachers with C (content), reading strategies, H (higher order thinking skills), A (assessment tools), T (total participation techniques), and S (scaffolding strategies). The book also contains helpful planning worksheets, assessment logs, and scaffolding tools. Teachers will also find more than 25 classroom and team-building activities and specific tips about how these activities benefit ELLs. *The Language Rich Classroom* is an invaluable resource that will help teachers foster greater gains in students' language development, increase their comprehension across all subject areas, and build classrooms that are engaging and welcoming to students of all cultures. *Teaching 21st Century Skills* Rekha B.
