The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work Unique exciting and at times hilariously shocking key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II slang and unconventional English published sources given for each entry often including an early or significant example of the term's use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning New to this edition A new preface noting slang trends of the last five years Over 1 000 new entries from the US UK and Australia New terms from the language of social networking Many entries now revised to include new dating new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning it's rude it's delightful and it's a prize for anyone with a love of language

Social Work Treatment Francis J. Turner, 2017-03-23 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention A treasure trove of practice knowledge the text equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a

broad based theoretical approach to practice it helps readers avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty

The Routledge Handbook of Social Work Field Education in the Global South Rajendra Baikady,Sajid S.M.,Varoshini Nadesan,M. Rezaul Islam,2022-07-08 This handbook provides an authoritative account of social work field education in the global south It presents an overview of various aspects of theory and practice modules in the social work curriculum and advances in research in social work field education in the developing world through in depth analyses and global case studies Key features Discusses critical issues and new directions in the theory and practice of social work field education challenges in field work education decolonising field work training developing competent social work graduates aligning fieldwork with cultural practices in indigenous communities the idea of clinical social work and a comparative analysis of social work field supervision Integrates theory and practice of social work field education for students and teachers from diverse geographical and cultural contexts across the global south including countries from South Asia and Asia Africa and Latin America and the Caribbean covering India Bangladesh Pakistan Nepal Sri Lanka China Georgia Philippine Turkey Papua New Guinea Eswatini Republic of Trinidad Tobago Kenya Nigeria South Africa Botswana Chile and Barbados Brings together international comparative perspectives on field work education in social work from leading experts social work educators and social work professionals This handbook will be an essential resource for scholars and researchers of social work development studies social anthropology sociology education South Asian studies and Global South studies It will also be useful to educators and practitioners of social work in global institutions of higher studies as well as civil society organisations
