[Mizuki-senpai's Love Fortune-Telling \[Vol.1\]](#) ShiroSawa,2024-10-11 The hit series with over 300 000 likes on X formerly Twitter Why has Mizuki Asuka a mysterious high school girl boasting a 100%% fortune telling accuracy taken an interest in her plain kouhai one year older than her Sakagami kun You re destined to fall in love with me With intimacy that says more than lovers but a pace that says less than friends it s the first volume of the bumpy romantic comedy with a guaranteed happy ending

Strange Glory Charles Marsh,2014-04-29 In the decades since his execution by the Nazis in 1945 Dietrich Bonhoeffer the German pastor theologian and anti Hitler conspirator has become one of the most widely read and inspiring Christian thinkers of our time Now drawing on extensive new research

Strange Glory offers a definitive account by turns majestic and intimate of this modern icon The scion of a grand family that rarely went to church Dietrich decided as a thirteen year old to become a theologian By twenty one the rather snobbish and awkward young man had already written a dissertation hailed by Karl Barth as a theological miracle But it was only the first step in a lifelong effort to recover an authentic and orthodox Christianity from the dilutions of liberal Protestantism and the modern idolatries of blood and nation which forces had left the German church completely helpless against the onslaught of Nazism From the start Bonhoeffer insisted that the essence of Christianity was not its abstract precepts but the concrete reality of the shared life in Christ In 1930 his search for that true fellowship led Bonhoeffer to America for ten fateful months in the company of social reformers Harlem churchmen and public intellectuals Energized by the lived faith he had seen he would now begin to make what he later saw as his definitive turn from the phraseological to the real He went home with renewed vocation and took up ministry among Berlin s downtrodden while trying to find his place in the hoary academic establishment increasingly captive to nationalist fervor With the rise of Hitler however Bonhoeffer s journey took yet another turn The German church was Nazified along with every other state sponsored institution But it was the Nuremberg laws that set Bonhoeffer s earthly life on an ineluctable path toward destruction His denunciation of the race statutes as heresy and his insistence on the church s moral obligation to defend all victims of state violence regardless of race or religion alienated him from what would become the Reich church and even some fellow resisters Soon the twenty seven year old pastor was one of the most conspicuous dissidents in Germany He would carry on subverting the regime and bearing Christian witness whether in the pastorate he assumed in London the Pomeranian monastery he established to train dissenting ministers or in the worldwide ecumenical movement Increasingly though Bonhoeffer would find himself a voice crying in the wilderness until finally he understood that true moral responsibility obliged him to commit treason for which he would pay with his life Charles Marsh brings Bonhoeffer to life in his full complexity for the first time With a keen understanding of the multifaceted writings often misunderstood as well as the imperfect man behind the saintly image here is a nuanced exhilarating and often heartrending portrait that lays bare Bonhoeffer s flaws and inner torment as well as the friendships and the faith that sustained and finally redeemed him Strange Glory is a momentous achievement

The Return of the Repressed Rachel Adelman,2009-10-23 This study analyzes mythic narratives found in the 8th century midrashic text Pirke de Rabbi Eliezer PRE that were excluded or repressed from the rabbinic canon while preserved in the Pseudepigrapha of the Second Temple period Examples include the role of the Samael i e Satan in the Garden of Eden the myth of the Fallen Angels Elijah as zealot and Jonah as a Messianic figure The questions are why these exegetical traditions were excluded in what context did they resurface and how did the author have access to these apocryphal texts The book addresses the assumptions that underlie classic rabbinic literature and later breaches of that exegetical tradition in PRE while engaging in a study of the genre dating and status of PRE as apocalyptic eschatology
