The Isis Crisis What You Really Need To Know:

The ISIS Crisis Charles H. Dyer, Mark Tobey, 2015-01-15 With ISIS on the rise what do we need to know ISIS a name that inspires fear a group that is gaining momentum Horrors unheard of are plaguing the Middle East and ISIS may be responsible for the worst among them And yet there is so much we don't know about ISIS Where did ISIS come from How is ISIS distinguished from other terrorist groups Could ISIS play a role in the end times What does ISIS mean for Israel What impact could these events have on the United States How should believers respond In *The ISIS Crisis* authors Charles Dyer and Mark Tobey answer these questions and more Drawing from history current events and biblical prophecy they guide readers through the matrix of conflicts in the Middle East Then they explore the role of ISIS in all of these matters Finally they encourage Christians to look to Jesus the Prince of Peace

Is This the End? Bible Study Guide Dr. David Jeremiah, 2016-10-04 We have almost become immune to the reality of today's headlines from terrorism to natural disasters to political upheavals to refugees to disease to nuclear threats to failing economies and the list goes on People are thinking and asking Is this the end Nobody can answer that question specifically In fact Jesus warned about setting dates for the end of the age But this we can say Never have so many world level events developed so rapidly and with such catastrophic implications These events bring to mind the apostle Paul's words about birth pangs before the end of the age In *Is This the End Study Guide* Pastor David Jeremiah looks at ten major developments in America and the world that almost defy imagination Just a few years ago nobody could have imagined the things we hear about daily in the news We need to understand these events what they are what the Bible says about them and how we should respond as followers of Christ Follow Dr Jeremiah as he unfolds five developments in America and five developments on the international stage all of which beg the question Is this the end

The Handbook of Iraqi People's Heritage Mariz Tadros, Shivan Shlaymoon Toma, Juwan Mohammed M. Mahdi Almofti, Wafaa Sabah Khuder, Saaed A. Saaed Majdal, Zubeida Salih Abdulkhaliq, Charley Howman, 2025-02-25 Iraq is a land of rich and diverse cultural heritage shaped by thousands of years of history As a crossroads of civilisations the country bears the marks of many cultures beliefs and religions each leaving a distinct imprint on its people and landscape However there are many groups and communities marginalised on religious ethnic linguistic and cultural grounds in Iraq It is the heritage of such marginalised groups that is most at risk of disappearance *The Handbook of Iraqi People's Heritage* is the result of a collaboration between the Institute of Development Studies IDS UK and the University of Duhok in the Kurdistan Region of Iraq It is the fulfilment of a vision of heritage gathering and preservation that would not have been possible without the heroic efforts of the heritage gatherers the young women and men who sought out the histories traditions practices and places that constitute the heritage of their own respective communities Personal narratives and excerpts from individuals interviewed provide rich content for the chapters that feature nine communities the Armenians the Assyrians the Chaldeans the Kakeys the Sabeans the Mandaean the Shabak the Syriac Orthodox the Turkmen of

Tal Afar and the Yazidis The Handbook looks at the living heritage in the day to day life and activities of both individuals and communities Traditions and practices reveal the deep cultural significance in the daily activities surrounding food and drink music clothing and language and education Similarly there are the traditions focused around festivals religious holidays rituals feasts celebrations and remembrance Heritage is what is so meaningful in our lives that we choose to pass it on to the generations to come Reaching beyond buildings and belongings there is also the intangible heritage reflected in oral histories traditions and practices and personal and collective memories This Handbook reflects the remarkable resilience and enduring strength of all the communities featured Their continued preservation of collective memories traditions and history despite the hardships is testament to the communities themselves

International Law and the War with Islamic State

Saeed Bagheri, 2021-07-15 Armed non state actors ANSAs often have economic aims that international law needs to respond to This book looks at the aim of Islamic State to create an effective government with an economically independent regime which focused on key oilfields in Syria and Iraq Having addressed Islamic State s quest for energy resources in Iraq and Syria the book explores the lawfulness of the war with Islamic State from a variety of legal aspects It has been attempted to make inroads into the most controversial aspects of contradictions in the application of jus ad bellum and jus in bello particularly when discussing the use of extraterritorial armed force against ANSAs and the obligation to protect civilian objects including the natural environment The question is whether the targeting of energy resources should be regarded as a violation of the laws of armed conflict even though the war with Islamic State being classified as a non international armed conflict Ambitious in scope the study argues that legal theory and state practice are still problematic as to how and under what conditions states can justify resorting to military force in foreign territory and to what extent they can target natural resources as being part of state property Furthermore it goes on to examine the differences between international and non international armed conflicts to establish whether there is any difference in the targeting of energy resources as part of the war sustaining capabilities of either party Through an examination of the Islamic State case the book offers a comprehensive study to close the gaps in jus in bello by contextualising the questions of civilian protection victimisation and state responsibility by evaluating the US s war sustaining theory as a justification for the destruction of a territorial state s natural resources that are occupied by ANSAs

Evangelical Christian Responses to Islam

Richard McCallum, 2024-02-08 Do Christians and Muslims worship the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential
