The Kingdom In History And Prophecy:

The Kingdom in History and Prophecy Lewis Sperry Chafer, 1915-01-01 The Kingdom in History and Prophecy presents the whole outline of Scripture teaching as to God's plan and purpose in the earth Lewis Sperry Chafer addresses the questions What is the kingdom What is the Church and When and how will Christ return and shows how the Bible has an answer for each one

The Kingdom in History and Prophecy Lewis Sperry Chafer, 1915

The Kingdom in History and Prophecy Lewis Chafer, 2017-07-13 Introduction by C I Scofield A clear and thoroughly Biblical book on the kingdom in the Scriptures has long been a desideratum Perhaps no truth of the divine revelation has suffered more at the hands of interpreters than that concerning the kingdom Following the Roman Catholic interpretation Protestant theology has very generally taught that all the kingdom promises and even the great Davidic Covenant itself are to be fulfilled in and through the Church The confusion thus created has been still further darkened by the failure to distinguish the different phases of kingdom truth indicated by the expressions kingdom of heaven and kingdom of God In the light of plain Scripture all of these confusions are inexcusable for at no point is the Biblical revelation more clear and explicit Founded upon the covenant of Jehovah with David a covenant subsequently confirmed by Jehovah's oath the great theme of predictive prophecy is that kingdom Even the order of the setting up of the kingdom relatively to the great Gentile world empires is declared The events attending the setting up of the kingdom of the heavens on the earth are described The New Testament carries forward the Old Testament foreview of the kingdom into greater detail but without change The very first mention of Christ in the first verse of the first chapter in the New Testament identifies Him with the Davidic Covenant and the promise of Gabriel to His virgin mother is a new confirmation in express terms of that covenant The New Testament reveals the present age as a parenthesis in the prophetic program during which the Church is called out from among the Gentiles a stranger and pilgrim body belonging to the kingdom of God but in no sense identical with the kingdom of heaven I welcome therefore this present book on these fundamental truths Having had the privilege of seeing it in manuscript I bespeak for it the candid attention of all who are concerned for the truth of God
