The Last Citadel Petersburg June 1864 April 1865

Stephen Davis, Bill Hendrick

The Last Citadel Petersburg June 1864 April 1865:

The Last Citadel Noah Andre Trudeau,2014 The Petersburg campaign began on June 9 1864 and ended on April 3 1865 when Federal troops at last entered the city It was the longest and most costly siege ever to take place on North American soil yet it has been overshadowed by other actions that occurred at the same time period most notably Sherman s famous March to the Sea and Sheridan s celebrated Shenandoah Valley campaign The ten month Petersburg affair witnessed many more combat actions than the other two combined and involved an average of 170 000 soldiers not to mention thousands of civilians who were also caught up in the maelstrom By its bloody end the Petersburg campaign would add more than 70 000 casualties to the war s total

The Last Citadel Noah Andre Trudeau,1993-04-01 The Last Citadel is the only full length treatment of the most extensive military operation of the Civil War the siege of Petersburg Virginia which by its bloody end had added more than seventy thousand casualties to the war s total Because it lay astride five major railroad lines that supplied Richmond the Confederate capital Petersburg was key to the war effort in the East

The Last Citadel Noah Andre Trudeau,2022-05-20 The revised and updated groundbreaking study of the most extensive military operation of the Civil War from the author of *Bloody Roads South* The Petersburg campaign began on June 9 1864 and ended on April 3 1865 when Federal troops at last entered the city It was the longest and most costly siege ever to take place on North American soil yet it has been overshadowed by other actions that occurred at the same time period most notably Sherman s famous March to the Sea and Sheridan s celebrated Shenandoah Valley campaign The ten month Petersburg affair witnessed many more combat actions than the other two combined and involved an average of 170 000 soldiers not to mention thousands of civilians who were also caught up in the maelstrom By its bloody end the Petersburg campaign would add more than 70 000 casualties to the war s total With the same dogged determination that had seen him through the terrible Overland Campaign Lieutenant General Ulysses S Grant fixed his sights on the capture of Petersburg Grant s opponent General Robert E Lee was equally determined that the Cockade City would not fall Trudeau crafts this dramatic and moving story largely through the words of the men and women who were there including officers common soldiers and the residents of Petersburg What emerges is an epic account rich in human incident and adventure Based on exhaustive research into official records and unpublished memoirs letters and diaries as well as published recollections and regimental histories The Last Citadel also includes twenty three maps and a choice selection of drawings by on the spot combat artists

The Civil War in Books David J. Eicher,1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries

in the work which is presented in an oversized 8 1/2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher's mammoth undertaking are indexed by author or editor and by title Gary Gallagher's foreword traces the development of Civil War bibliographies and declares that Eicher's annotation exceeds that of any previous comprehensive volume The Civil War in Books Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher's The Civil War in Books is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since The Civil War Day by Day will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

The 4th North Carolina Cavalry in the Civil War Neil Hunter Raiford, 2006-12-06 In April 1862 the Civil War was entering its second year and North Carolina was rallying to supply more troops for the Confederacy The Partisan Ranger Act passed by the Confederate Congress on April 21 prompted local leaders to recruit companies of irregular soldiers for service in the Confederate Army Seven such companies were banded together into a regiment to form the 4th North Carolina Cavalry a true cross section of North Carolina it contained soldiers from the largest urban areas and smallest rural areas from fifteen counties This history of the 4th North Carolina Cavalry is based largely on primary source material the official records letters diaries and recollections of the soldiers The 4th North Carolina saw action in North Carolina Virginia Maryland and Pennsylvania and was a part of General Lee's Army of Northern Virginia The roster comprises a large part of the book and provides biographical genealogical and military information about each soldier

The 16th Michigan Infantry in the Civil War, Revised and Updated Kim Crawford, 2019-08-01 On the hot summer evening of July 2 1863 at the climax of the struggle for a Pennsylvania hill called Little Round Top four Confederate regiments charge up the western slope attacking the smallest and most exposed of their Union foe the 16th Michigan Infantry Terrible fighting has raged but what happens next will ultimately and unfairly stain the reputation of one of the Army of the Potomac's veteran combat outfits made up of men from Detroit Saginaw Ontonagon Hillsdale Lansing Adrian Plymouth and Albion In the dramatic interpretation of the struggle for Little Round Top that followed the Battle of Gettysburg the 16th Michigan Infantry would be remembered as the one that broke during perhaps the most important turning point of the war Their colonel a young lawyer from Ann Arbor would pay with his life redeeming his own reputation while a kind of code of silence about what happened at Little Round Top was adopted by the regiment's survivors From soldiers letters journals and memoirs this book relates their experiences in camp on the march and in battle including their controversial role at Gettysburg up to the surrender of Gen Robert E Lee at Appomattox Court House

Commanding the Army of the Potomac Stephen R. Taaffe, 2006 Stephen Taaffe takes a close look at this command cadre examining who was appointed to these positions why they were appointed and why so many of them ultimately failed to fulfill their responsibilities He demonstrates that ambitious officers such as

Gouverneur Warren John Reynolds and Winfield Scott Hancock employed all the weapons at their disposal from personal connections to exaggerated accounts of prowess in combat to claw their way into these important posts. Once there, however, as Taaffe reveals, many of these officers failed to navigate the tricky and ever-changing political currents that swirled around the Army of the Potomac. As a result, only three of them managed to retain their commands for more than a year, and their machinations caused considerable turmoil in the army's high command structure.

BOOK JACKET Great Sieges in World History Spencer C. Tucker, 2021-02-15 This impressive collection of 100 of the most decisive and important sieges spans human history and covers conflicts in Africa, Asia, Europe, and the Americas. This engaging reference work provides readers with detailed coverage on the sieges that have had the biggest impact on world history. In addition to providing basic factual information, this encyclopedia delves into the historical context and significance of each siege. Readers will be able to identify relationships between entries and observe both the gradual evolution of siege warfare over time and compare and contrast siege characteristics within and among different historical time periods. The encyclopedia's expansive scope will broaden readers' understanding of military history. The book begins with a preface and an introductory essay that offers a detailed overview of siege warfare throughout history. This is followed by 100 chronological entries on the most significant sieges, beginning with the Siege of Troy (1194-1184 BCE) and ending with the Siege of Mosul (October 17, 2016 - July 9, 2017). Each siege entry has a Further Reading section that directs readers to additional information about the siege. Numerous illustrations and maps accompany the text.

Lee's Tigers Revisited Terry L. Jones, 2017-10-18 In *Lee's Tigers Revisited*, noted Civil War scholar Terry L. Jones dramatically expands and revises his acclaimed history of the approximately twelve thousand Louisiana infantrymen who fought in Robert E. Lee's Army of Northern Virginia. Sometimes derided as the "wharf rats" from New Orleans and the lowest scrapper of the Mississippi, the Louisiana Tigers earned a reputation for being drunken and riotous in camp but courageous and dependable on the battlefield. Louisiana's soldiers, some of whom wore colorful uniforms in the style of French Zouaves, reflected the state's multicultural society with regiments consisting of French-speaking Creoles and European immigrants. Units made pivotal contributions to many crucial battles, resisting the initial Union onslaught at First Manassas, facilitating Stonewall Jackson's famous Valley Campaign, holding the line at Second Manassas by throwing rocks when they ran out of ammunition, breaking the Union line temporarily at Gettysburg's Cemetery Hill, containing the Union breakthrough at Spotsylvania's Bloody Angle, and leading Lee's attempted breakout of Petersburg at Fort Stedman. The Tigers achieved equal notoriety for their outrageous behavior off the battlefield so much so that sources suggest no general wanted them in his command. By the time of Lee's surrender at Appomattox, there were fewer than four hundred Louisiana Tigers still among his troops. *Lee's Tigers Revisited* uses letters, diaries, memoirs, newspaper articles, and muster rolls to provide a detailed account of the origins, enrollments, casualties, and desertion rates of these soldiers. Illustrations, including several maps newly commissioned for this edition, chart the Tigers' positions on key battlefields in the tumultuous campaigns.

throughout Virginia By utilizing first person accounts and official records Jones provides the definitive study of the Louisiana Tigers and their harrowing experiences in the Civil War

The 36th Infantry United States Colored Troops in the Civil War James K. Bryant, II, 2014-01-02 During the Civil War African American war correspondent Thomas Morris Chester was so inspired by the men of the 36th United States Colored Troops that he declared the group to be a model regiment Composed primarily of former slaves recruited from Union occupied areas of eastern North Carolina and southeastern Virginia the 36th USCT participated in large scale expeditions to liberate slaves guarded Confederate prisoners at major POW camps served in the trenches before Petersburg and Richmond and stood as one of the first units to enter the abandoned Confederate capital on April 3 1865 This volume which includes a complete regimental roster explores the background of these former slaves and their families examines their initial recruitment and chronicles their military contributions throughout the war More than a unit history the story of the 36th USCT offers a vivid portrait of the challenging transition from slavery to freedom

American Civil War Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

The Black Civil War Soldiers of Illinois Edward A. Miller, Jr., 2021-08-24 Chronicles the Civil War experience of a representative African American regiment The Black Civil War Soldiers of Illinois tells the story of the Twenty ninth United States Colored Infantry one of almost 150 African American regiments to fight in the Civil War and the only such unit assembled by the state of Illinois The Twenty ninth took part in the famous Battle of the Crater at Petersburg joined Grant s forces in the siege of Richmond and stood on the battlefield when Lee surrendered at Appomattox In this comprehensive examination of the unit s composition contribution and postwar fate Edward A Miller Jr demonstrates the value of the Twenty ninth as a means of understanding the Civil War experience of African American

soldiers including the prejudice that shaped their service Miller details the formation of the Twenty ninth its commendable performance but incompetent leadership during the Petersburg battle and the refilling of its ranks mostly by black enlistees who served as substitutes for drafted white men He recounts the unit s role in the final campaign against the Army of Northern Virginia its final needless mission to the Texas border the tragic postwar fate of most of its officers and the continued discrimination and economic hardship endured after the war by the soldiers Lee's Miserables J. Tracy Power,2015-01-01 Never did so large a proportion of the American population leave home for an extended period and produce such a detailed record of its experiences in the form of correspondence diaries and other papers as during the Civil War Based on research in more than 1 200 wartime letters and diaries by more than 400 Confederate officers and enlisted men this book offers a compelling social history of Robert E Lee s Army of Northern Virginia during its final year from May 1864 to April 1865 Organized in a chronological framework the book uses the words of the soldiers themselves to provide a view of the army s experiences in camp on the march in combat and under siege from the battles in the Wilderness to the final retreat to Appomattox It sheds new light on such questions as the state of morale in the army the causes of desertion ties between the army and the home front the debate over arming black men in the Confederacy and the causes of Confederate defeat Remarkably rich and detailed Lee s Miserables offers a fresh look at one of the most studied Civil War armies The Atlanta Daily Intelligencer Covers the Civil War Stephen Davis,Bill Hendrick,2023-02-10 Confederate newspapers were beset by troubles paper shortages high ink prices printers striking for higher pay faulty telegraphic news service and subscription prices insufficient to support their operations But they also had the potential to be politically powerful and their reporting of information accurate or biased shaped perceptions of the Civil War and its trajectory The Atlanta Daily Intelligencer Covers the Civil War investigates how Atlanta s most important newspaper reported the Civil War in its news articles editorial columns and related items in its issues from April 1861 to April 1865 The authors show how The Intelligencer narrated the war s important events based on the news it received at what points the paper and the Confederate press generally got the facts right or wrong based on the authors original research on the literature and how the paper s editorial columns reflected on those events from an unabashedly pro Confederate point of view While their book focuses on The Intelligencer Stephen Davis and Bill Hendrick also contribute to the scholarship on Confederate newspapers emphasizing the papers role as voices of Confederate patriotism Southern nationalism and contributors to wartime public morale Their well documented detailed study adds to our understanding of the relationship between public opinion and misleading propaganda **The Weary Boys** Thomas E. Pope,2002 Milroy s Weary Boys was the derisive nickname Maj Gen Winfield Scott Hancock gave to the survivors of the 110th Ohio Volunteer Infantry after the Second Battle of Winchester Author John E Pope reconsiders the men of this infantry and their contribuution to the Army of Potomac The 48th Pennsylvania in the Battle of the Crater Jim Corrigan,2012-04-25 In June 1864 Grant attempted to seize the Confederate rail

hub of Petersburg Virginia General P G T Beauregard responded by rushing troops to Petersburg to protect the vital supply lines A stalemate developed between the entrenched armies Union commander General Ambrose Burnside advanced the idea of allowing the 48th Pennsylvania a regiment from the mining town of Pottsville to tunnel under Confederate entrenchments and place explosives there The plan should have guaranteed Union victory yet the battle turned into an astonishing Confederate triumph This thorough history of the Battle of the Crater shows how bickering among Federal commanders allowed shattered Confederate troops the opportunity to regroup costing the Union an opportunity to capture Petersburg and bring an early end to the war It also reveals how the cooperation of Confederate commanders helped to avert certain defeat Appendices include a list of forces in the Battle of the Crater a table of casualties and a list of soldiers decorated for gallantry during the conflict

Wisconsin and the Civil War Ronald Paul Larson, 2017-11-27 Wisconsin troops fought and died for the Union on Civil War battlefields across the continent from Shiloh to Gettysburg Wisconsin lumberjacks built a dam that saved a stranded Union fleet The Second Wisconsin Infantry suffered the highest percentage of battle deaths in the Union army Back home in a state largely populated by immigrants and recent transplants the war effort forced Wisconsin s residents to forge a common identity for the first time Drawing on unpublished letters and new research Ron Larson tells Wisconsin s Civil War story from the famous exploits of the Iron Brigade to the heretofore largely unknown contributions of the Badger State s women African Americans and Native Americans

Correspondence of Major General Emory Upton, Vol. 1, 1857-1875 Salvatore Cilella, 2024-01-12 Emory Upton 1839 1881 was thrust into the Civil War immediately upon graduation from the United States Military Academy at West Point in May of 1861 He was wounded three times during the war He participated in nearly every major battle in the Eastern Theater including Fredericksburg Gettysburg and Spotsylvania where he led a prominent attack on entrenched Confederate positions a signal of Upton s brilliance as an officer and of his military creativity that foreshadowed his later work in revising the Army s tactics Upton was mustered out of service in 1866 and later named commandant of cadets at West Point a position that carved a path for Upton to focus more on Army tactics and reforms Until now the only lenses through which scholars could study Upton were two biographies published nearly a century apart but practically identical in scope and treatment The two volume *Correspondence of Major General Emory Upton* follows Upton through his enrollment at West Point to his extensive Army activities following the Civil War and contains the bulk of his wartime correspondence Volume one with Upton s Civil War correspondence encompasses both larger battle details and day to day activities in the life of a soldier His letters reveal a mercurial individual a humorous person used to suffering and rejoicing who could be flawed and brilliant vain and humble These selected letters and reports expertly annotated and gathered from repositories across the country present a more complex human Emory Upton He is both the clean pure and spotless individual of biographies and the ambitious yet flawed Army officer obsessed with his career These volumes explore his trials and frustrations as well as his triumphs Salvatore G Cilella Jr now retired was president of

the Atlanta Historical Society He is the author of Upton s Regulars The 121st New York Infantry in the American Civil War and Fund Raising for Small Museums in Good Times and Bad *Robert E. Lee: A Biography* Emory M. Thomas,1997-06-17 The best and most balanced of the Lee biographies New York Review of Books The life of Robert E Lee is a story not of defeat but of triumph triumph in clearing his family name triumph in marrying properly triumph over the mighty Mississippi in his work as an engineer and triumph over all other military men to become the towering figure who commanded the Confederate army in the American Civil War But late in life Lee confessed that he was always wanting something In this probing and personal biography Emory Thomas reveals more than the man himself did Robert E Lee has been and continues to be a symbol and hero in the American story But in life Thomas writes Lee was both more and less than his legend Here is the man behind the legend **Lincoln and Grant** Edward H. Bonekemper,2015-03-23 Lincoln and Grant is an intimate dual portrait of President Abraham Lincoln and General Ulysses S Grant their ordinary Western backgrounds their early struggles to succeed and their history making relationship during the Civil War Though generally remembered by history as two very different personalities the soft spoken Lincoln and often crude Grant in fact shared a similar drive and determination as this in depth character study illustrates

The Last Citadel Petersburg June 1864 April 1865 Introduction

The Last Citadel Petersburg June 1864 April 1865 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Last Citadel Petersburg June 1864 April 1865 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Last Citadel Petersburg June 1864 April 1865 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Last Citadel Petersburg June 1864 April 1865 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Last Citadel Petersburg June 1864 April 1865 Offers a diverse range of free eBooks across various genres. The Last Citadel Petersburg June 1864 April 1865 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Last Citadel Petersburg June 1864 April 1865 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Last Citadel Petersburg June 1864 April 1865, especially related to The Last Citadel Petersburg June 1864 April 1865, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Last Citadel Petersburg June 1864 April 1865, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Last Citadel Petersburg June 1864 April 1865 books or magazines might include. Look for these in online stores or libraries. Remember that while The Last Citadel Petersburg June 1864 April 1865, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Last Citadel Petersburg June 1864 April 1865 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Last Citadel Petersburg June 1864 April 1865 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Last Citadel Petersburg June 1864 April 1865 eBooks, including some popular titles.

FAQs About The Last Citadel Petersburg June 1864 April 1865 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Last Citadel Petersburg June 1864 April 1865 is one of the best book in our library for free trial. We provide copy of The Last Citadel Petersburg June 1864 April 1865 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Last Citadel Petersburg June 1864 April 1865. Where to download The Last Citadel Petersburg June 1864 April 1865 online for free? Are you looking for The Last Citadel Petersburg June 1864 April 1865 PDF? This is definitely going to save you time and cash in something you should think about.
